A Dream In Polar Fog:

A Dream in Polar Fog Yuri Rytkeu,2006-10 An ethnographic chronicle of the Chukchi people A politically and emotionally charged Arctic adventure story

A Dream in Polar Fog IUrii Sergeevich Rytkeu,2008 The story of John MacLennan a Canadian sailor who in 1910 is left behind by his ship stranded on the northeastern tip of Siberia and the story of the Chukchi community that adopts this wounded stranger and teaches him to live as a true human being

A Siberian History of Soviet Film Caroline Damiens,2024-09-05 An in depth exploration of the history of representations of the indigenous Peoples of the North in the Soviet era considering both how they were represented and how they represented themselves

Russian Life ,2010

Red Leviathan Ryan Tucker Jones,2022-05-30 A revealing and authoritative history that shows how Soviet whalers secretly helped nearly destroy endangered whale populations while also contributing to the scientific understanding necessary for these creatures salvation The Soviet Union killed over six hundred thousand whales in the twentieth century many of them illegally and secretly That catch helped bring many whale species to near extinction by the 1970s and the impacts of this loss of life still ripple through today s oceans In this new account based on formerly secret Soviet archives and interviews with ex whalers environmental historian Ryan Tucker Jones offers a complete history of the role the Soviet Union played in the whales destruction As other countries especially the United States Great Britain Japan and Norway expanded their pursuit of whales to all corners of the globe Stalin determined that the Soviet Union needed to join the hunt What followed was a spectacularly prodigious and often wasteful destruction of humpback fin sei right and sperm whales in the Antarctic and the North Pacific done in knowing violation of the International Whaling Commission s rules Cold War intrigue encouraged this destruction but as Jones shows there is a more complex history behind this tragic Soviet experiment Jones compellingly describes the ultimate scientific irony today s cetacean studies benefited from Soviet whaling as Russian scientists on whaling vessels made key breakthroughs in understanding whale natural history and behavior And in a final twist Red Leviathan reveals how the Soviet public began turning against their own country s whaling industry working in parallel with Western environmental organizations like Greenpeace to help end industrial whaling not long before the world s whales might have disappeared altogether

When the Whales Leave Yuri Rytkeu,2019-12-05 This fable of an indigenous Arctic people offers profound considerations about stewardship of and people s relationships to the natural world Publishers Weekly Nau cannot remember a time when she was not one with the world around her with the fast breeze the green grass the high clouds and the endless blue sky above the Shingled Spit But her greatest joy is to visit the sea where whales gather every morning to gaily spout rainbows Then one day she finds a man in the mist where a whale should be Reu who has taken human form out of his Great Love for her Together these first humans become parents to two whales and then to mankind Even after Reu dies Nau continues on sharing her story of brotherhood between the two species But as these origins grow distant the old woman s tales are subsumed into myth and her descendants are increasingly bent

on parading their dominance over the natural world Buoyantly translated into English for the first time by Ilona Yazhbin Chavasse this new entry in the Seedbank series is at once a vibrant retelling of the origin story of the Chukchi a timely parable about the destructive power of human ego and another unforgettable work of fiction from Yuri Rytkheu arguably the foremost writer to emerge from the minority peoples of Russia s far north New York Review of Books We have so little intimate information about these Arctic people and the writer s deep emotional attachment to this landscape of ice today melting away under global warming forces makes every sentence seem a poetic revelation Annie Proulx **No One You Know** Michelle Richmond,2008-06-24 Michelle Richmond dazzled readers and critics alike with her luminous novel The Year of Fog Now Richmond returns with an intensely emotional multilayered family drama a woman s search for her sister s killer that spirals into a journey of secrets revelations and damaged lives All her life Ellie Enderlin had been known as Lila s sister Until one day without warning the shape of their family changed forever Twenty years ago Lila a top math student at Stanford was murdered in a crime that was never solved In the aftermath of her sister s death Ellie entrusted her most intimate feelings to a man who turned the story into a bestselling true crime book a book that both devastated her family and identified one of Lila s professors as the killer Decades later two Americans meet in a remote village in Nicaragua Ellie is now a professional coffee buyer an inveterate traveler and incapable of trust Peter is a ruined academic And their meeting is not by chance As rain beats down on the steaming rooftops of the village Peter leaves Ellie with a gift the notebook that Lila carried everywhere a piece of evidence not found with her body Stunned Ellie will return home to San Francisco to explore the mysteries of Lila s notebook filled with mathematical equations and begin a search that has been waiting for her all these years It will lead her to a hundred year old mathematical puzzle to a lover no one knew Lila had to the motives and fate of the man who profited from their family s anguish and to the deepest secrets even sisters keep from each other As she connects with people whose lives unknowingly swirled around her own Ellie will confront a series of startling revelations from the eloquent truths of numbers to confessions of love pain and loss A novel about the stories and lies that strangers lovers and families tell and the secrets we keep even from ourselves Michelle Richmond s new novel is a work of astonishing depth and beauty at once heartbreaking provocative and impossible to put down Russian Life ,2010 Translation Review ,2006 **MultiCultural Review** ,2005 **The Publishers Weekly** ,2005 *The Poetical Works of Mrs. Horace Dobell* Elizabeth Mary Fordham Dobell,1910 *Adventure to the Polar Sea* Richard Stanton Lambert,1950 **The Arctic** Deanna Swaney,1999 This unique guide to one of the last wilderness frontiers is the essential companion for both intrepid adventurers and armchair travellers Comprehensive coverae of the Arctic regions of Alaska Canada Finland Greenland Iceland Norway Russia and Sweden Special sections written by experts on Arctic issues including indigenous peoples and cultures research history exploration and literature Detailed activities chapter covering options from sea kayaking to dogsledding 43 detailed maps *Bulletin of the American Game Protective Association (varies Slightly* ,1920 **Scribner's**
