A Fathers Diary:

A Father's Diary Fraser Harrison, 1985-01 **Captive Fathers, Captive Children** Terry Smyth, 2022-10-06 Why are the daughters and sons of Far East prisoners of war still captivated by the stories of their fathers What is it that compels so many of the children after so many years to search for the details of their fathers captivity And how over the decades have they come to terms with their childhood memories In his book Terry Smyth treads new ground by examining the processes through which the children's memory practices came to be rooted in the POW experiences of their fathers By following a life course approach and a psychosocial methodology the book demonstrates how memory and trauma were worked into the social and cultural lives of individual children and explores how the relationship between their inner psychic worlds and subsequent memory practices unfolded against a challenging and morally ambivalent geopolitical background The book invites readers to engage with the author in a journey of exploration and self reflection with elements of auto ethnography adding richness to the text Enlivened by interview extracts case study material and ethnographic observations this work opens up fresh and ambitious perspectives on the personal legacies of war **Diary of a Father** Trevor Murray, 2015-05-28 Connor thought he'd marry his longtime girlfriend but life sometimes throws you a curveball After a bewildering breakup he meets Scarlett and the two fall in love and get engaged teaching him a valuable lesson Sometimes the things that don't happen lead to the opportunities that define your life When the couple finds out they are pregnant with a baby girl they are thrilled but Connor is overwhelmed with the feelings that go along with being an expectant father In this diary he reveals his hopes and fears As much as Connor loves Scarlett when their baby Makayla is born he discovers a love he never felt before the love a father feels for his daughter With a child of his own on the way a baby boy the author knows all about the ups and downs involved with being an expectant parent Celebrate a whirlwind of emotions with *Diary of a Father* *My Wholly Terra* Will Kilkeary, 1998-04 **Hanif Kureishi** Ruvani Ranasinha, 2023-08-29 Original bold and always funny Hanif Kureishi is one of Britain's most popular provocative and versatile writers Born in Bromley in 1954 to an Indian father and white British mother Kureishi's life is intimately bound up with the history of immigration and social change in Britain This is the story of how a mixed-raced child of empire who attended the local comprehensive school found success with a remarkable series of novels and screenplays including *My Beautiful Laundrette* and *The Buddha of Suburbia* *Intimacy* *Venus* and *Le Week End* The book also illuminates a larger story not only of the artist as a young man but of the recasting of Britain in the aftermath of decolonisation Drawing on journals letters and manuscripts from Kureishi's unexplored archive recently acquired by the British Library and informed by interviews with his family friends and collaborators as well with the writer himself Ruvani Ranasinha sheds new light on how his life animates his work This first biography offers a vivid portrait of a major talent who has inspired a new generation of writers *The Life of Father John Gerard, of the Society of Jesus* John Morris, 1881 **The Life and Times of Fray Junípero Serra, O.F.M.** Maynard J.
