Canine Capers

Canine Capers:

Canine Caper Rose Block, Delilah Ahrendt, 2002-10-25 This true story of Block's quest to rescue dogs from abusive and violent owners and the dangers of the streets is an awe-inspiring tale of her compassion and determination to help these animals putting her job, her marriage and even her life at risk. More like an adventure novel than a memoir. Publishers Weekly

Canine Capers Ulla Beattie, 2009-11-19 *Celebrating Dogs* Jim McCann, 2012-10-30 A delightful collection of stories and fabulous photography capturing the best side of dogs from Rotorua, Raglan, Matamata, Morrinsville, Cambridge, Hamilton, Huntly, Ngaruawahia, Pirongia and north of the Bays. The Case of Mendacious Medicine Man April Smith, 2003 This time it's Pam's turn to deal with murder in the workplace while Haley is on summer break from teaching. As an insurance biller at Central Valley Hospital, Pam is busy dealing with irritable patients and untrustworthy coworkers. Little does she suspect that murder has been attempted more than once. Of course, in a hospital, life and death issues are dealt with every day, but the public relations office is certainly not happy about the untimely death of one of the hospital's employees, especially as it appears someone in the hospital was involved. The third in the Canine Capers series, *The Case of the Mendacious Medicine Man* has a plot twist that may catch some readers by surprise. Beset by a host of suspects, all with good motives to kill Pam, Haley must find out who actually succeeded in eliminating someone. This time Robert Lawson not only helps Haley keep her huskies happy but he lends a hand in solving the murder. Meanwhile, Haley is planning to set up Pam with her brother's boss. For anyone who loves animals and murder mysteries, this book offers all the cute whiskers and plot turnings desired. From the Homefront Robert

Rooney, Robert James Rooney, 1990 **The Case of the Posturing Principal** April Smith, 2003 Haley Ann Lethridge is a new history teacher at a high school ruled by domineering Gina Echols. As principal Echols presides with an iron fist and an acerbic tongue. One of her favorite pastimes is to criticize those around her and take all the praise for herself. But when the abrasive principal goes too far, the high school is the scene for sudden murder. Circumstantial evidence points to a student who has already been in trouble, but Haley thinks there is much more to the shooting than the police suspect. While her parents decide to give her a surprise visit, Haley has to scramble to find out what really happened. Now she and her enterprising canines are back in the middle of a murder mystery with too many suspects and not very much time. The second in the Canine Capers series, *The Case of the Posturing Principal* features cats determined to outwit humans and dogs intent on getting the most from the dinner table. While Haley tries to narrow the list of likely killers with her best friend Pam, Pam's cats concentrate on getting their saucers filled with cream. Meanwhile, Haley's dogs approve of the new man in her life, Robert Lawson, who shares food from his dinner plate and takes them on walks. For anyone who loves animals and murder mysteries, this book is full of feline friskiness and canine cleverness. **Dog Blessings** June Cotner, 2017-10-03 Delightful filled with accounts of the many magical moments these dear companions provide and their impact on our days and our
