## **Canon Law As Ministry:**

**Canon Law as Ministry** James A. Coriden, 2000 James Coriden offers a vision of canon law in the Catholic Church seeing it not as an instrument of control but as a guide and guarantee of freedom for believers In the process he emphatically joins the ongoing debate about the role of church law a debate that he believes will have profound implications for the long term possibly reshaping the law and indeed the very face of the church While his message is addressed primarily to professional canonists it will resonate among all Catholics who care about the way their church functions The view of canon law that unfolds in these pages is that of a ministry that upholds the freedom of believers and the good order of the community This is based on the assumption that church is first of all a local community rather than a global structure The test of effective law depends upon its service to the lived experience of its members in their own cultural economic and social situations The concluding section of this book sets forth An Urgent Agenda for the Future of the Ministry particularly in the way church law is revised and amended BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

**The Ministry of Law in the Church Today** Kevin E. McKenna, 1998 Many members of the Catholic Church today clergy as well as laity find no useful purpose for the Church's legal structure or canon law They may view canon law as arbitrary antiquated or even a hindrance to the movement of the Spirit especially within the context of developments following the Second Vatican Council Kevin E McKenna counters this attitude with an overview of the positive features of Church law and a modern analysis of the canonical tradition of the Church McKenna argues that the utilization of canon law in the Church today is not only desirable but necessary and that it can be highly constructive when the law is viewed as a ministry of service The call of the Church since Vatican II has been towards communion with Christ among Christians and between local churches The concept of communion provides a structure and a path that can clarify and encourage individual participation in developing the common good After a discussion of the development of Church law and the effect Pope Paul VI and Pope John Paul II have had on contemporary canon law McKenna's work underscores the role of canon law in highlighting the rights of all members of the Church Canon law is necessary to assist in the orderly carrying out of the gospel demands and to protect the freedom of individual Church members Practical applications of canon law include the annulment process and alternatives for resolving disputes within the Christian community The Ministry of Law in the Church Today provides practical guidance and rationale for the role of law in the Church for pastoral ministers who are accustomed to seeing canon law as a problem rather than a solution This book will also appeal to laity who harbor a curiosity about the usefulness of Church law in everyday Christian life *A Concise Guide to Canon Law* Kevin E. McKenna, Aldean B. Hendrickson, 2023-03-10 For more than twenty years *A Concise Guide to Canon Law* has provided priests deacons and lay pastoral ministers with essential information about Church laws that regularly impact the lives of everyday Catholics This compact reference guide addresses topics such as who can receive the sacraments and when the responsibilities of pastors

and bishops administration of parishes and the role of finance and pastoral councils The book also now includes the teachings of Popes Benedict XVI and Francis on issues such as marriage and annulment as well as a new chapter on Catholic funerals Canon lawyer Aldean Hendrickson director of the tribunal for the Diocese of New Ulm also has updated this practical guide with additional material that includes a chapter on the Liturgy of the Hours an updated section of frequently asked questions and answers at the end of each chapter a revised and enhanced glossary of key terms and a suggested reading list for deeper study

Ministry and the Law Shaughnessy, Mary Angela, SCN, JD,1998 Useful for both church professionals and volunteers this is a practical guide to help religious professionals recognize and deal with legal issues that they may encounter in their ministry

Introduction to Canon Law, Third Edition, An: Revised and Updated Coriden, James A.,2019 This is a clear readable introduction to the basic structures and areas of church rules from one of the nation s most respected canonists It is now revised considering the most recent changes to church law including those initiated by Pope Francis

The Pastoral Companion John M. Huels,1995 The 1983 revised Code of Canon Law is now a dozen years old Since then hundreds of new laws and more than 25 authentic interpretations of laws have been promulgated not only adding new legislation but in some cases changing canons of the code and norms of the liturgical books Also during this period many new documents have appeared from the Holy See and the conference of bishops Some of the more important recent publications that affect the pastoral ministry are the 1990 Code of Canons of the Eastern Churches the 1993 Directory for Ecumenism the 1988 Directory for Sunday Celebrations in the Absence of a Priest a new marriage ritual 1991 and rites for ordination 1990 which have not yet appeared in English and new American editions of the RCIA Order of Christian Funerals and Book of Blessings This completely revised and updated edition incorporates changes in law new laws and commentaries promulgated since 1983 and features new indexes a 14 page glossary of canon law terms an outline of the 1988 reforms of the Roman Curia a new chapter on holy orders and clergy new sections on the faithful rights and obligations sacramentals Communion services outside Mass and much more

**Canon Law Explained** Fr. Laurence J. Spiteri ,2014-02-25 Not only inefficiency but frustration disorder anger and injustice threaten all human endeavors no matter how pure their motives or high their ideals That s why successful organizations always create employee handbooks and clear procedure manuals that delineate where authority lies how conflicts are to be resolved and above all how each organization s mission is and is not to be accomplished Is it any wonder then that the Catholic Church comprised not of 200 persons but 1 2 billion members in 200 countries also governs itself by means of a handbook which it calls the Code of Canon Law Because handbooks and manuals concern themselves with the day to day inner working of organizations they often reveal more than do news releases about the actual purposes and genuine spirit of organizations a fact that s particularly true in the case of the Catholic Church Indeed if you want to know the Church for who She is you need to be familiar with the Code of Canon Law Unfortunately it contains over 1 752 rules or canons Among them you ll find fascinating canons that lay out the Church s official principles

and procedures governing matters as various as abbots and annulments scandals and Sacraments monks and missions bishops and books priests and popes synods and sacraments homeschoolers hostile witnesses baptisms burials parishes penance confessions Councils impotence imprimaturs and even marriages to the person who murdered your spouse Thankfully Vatican expert and veteran author Fr Laurence Spiteri has in the pages of *Canon Law Explained* relieved you of the need to read all 1 752 of them fascinating or not Here he acquaints you with the fundamental canons by which the Church seeks to bring about as it declares in the very last canon the purpose all of them serve The salvation of souls which must always be the supreme law in the Church Fr Spiteri s brief but lucid explanations of the origins and meaning of the canons make sense of much that puzzles non Catholics about our Church and that sometimes frustrates even us Catholics As he relates the Church s laws and procedures directly to Christ s command to go forth and teach all nations and to the role those laws and procedures play in your salvation and mine Fr Spiteri transforms what seem to be dry as dust rules into the sweet waters of salvation If you want to know the Church for who She is and to love Her more *Canon Law Explained* is the book for you

**Team Ministry in the 1983 Code of Canon Law** Sister Marie Gertrude Roldan,1985 **Together in God's Service** Catholic Church. National Conference of Catholic Bishops. Subcommittee on Lay Ministry,1998 Publication no 5 285 United States Catholic Conference Washington D C Page 4 of cover Includes bibliographical references [A Pastoral Guide to Canon Law](#) George J. Dyer,1977 **Empowerment for Ministry** John M. Huels, J.C.D., [The Pastoral Companion](#) John M. Huels (o.s.m.),1986 **Code, Community, Ministry** James H. Provost,1983-01-01 **Canon Law of the Sacraments for Parish Ministry** William H. Woestman,2011 **Canon Law** Libero Gerosa,2002 One of the main demands of Vatican II Council with respect to Canon Law was to always focus on the mystery of the Church This clear and distinct position led to a renewal of the methodology applied to the discipline of Canon Law in almost all post conciliar schools The canonistic demand however similarly to change the didactic tools the teaching material in this new context has proved to be less significant Knowing the importance and the urgency of this initiative has been a strong source of motivation to the author The leading and inspiring idea behind this initiative is the conviction that the formal principles of Canon Law both as the inner structure of the Church community as well as a proper scientific method are the three fundamental elements of the constitution of the Church the Word the Sacrament and Charisma **New Commentary on the Code of Canon Law** John P. Beal,James A. Coriden,Thomas Joseph Green,2000 A complete and updated commentary on the Code of Canon Law prepared by the leading canonists of North America and Europe Contains the full newly translated text of the Code itself as well as detailed commentaries by thirty six scholars commissioned by the Canon Law Society of America **A Passion for Justice** G. J. Woodall,2011 For many the law of the Church canon law has little meaning it appears remote both from the Gospel and from the life of most people in the Church Yet it can impinge on them at times if a parish priest urges that a baptism be deferred where a dispensation is needed for marriage or where there is a query about nullity of marriage

Recently the scandals over clerical sexual abuse of children have drawn wider attention to the need for law also in the Church. At a time when it is popular to assert rights of all sorts, an identification of authentic rights and of corresponding duties in the Church as well as mechanisms to ensure that these are respected in practice in a systematic way, justice and law in the Church cannot be neglected. This book seeks to root the Church's law in the values of the Gospel, in particular in the justice which should guide the lives of those called to follow Christ and in the baptism by which they are incorporated into him and into his Church. The canon or measure of how we should treat one another as members of the People of God and participate in our common mission in the service of that Gospel according to our particular vocations and functions is the focus of canon law. No law can replace the Gospel or the Holy Spirit, but canon law is an instrument of justice in the service of the Church and of its mission. The revision of canon law which led to the Code of Canon Law of 1983 for the Latin Church sought expressly to reflect the key teachings of the Second Vatican Council. That Code, beyond the general norms for understanding and applying its laws as a whole, centres upon the People of God in our common, diverse and complementary forms of living the Gospel upon the Church's broad teaching function and upon its sanctifying function, especially through the sacraments. It attends also to the temporal goods of the Church for which there are responsibilities of stewardship, to penal law and sanctions and to procedural law, the latter designed to ensure that practical implementation of the Church's law which is essential if its affirmations concerning justice and mission are not to remain vacuous. This book attempts to provide a theological and juridical introduction and explanation of these various aspects of the Church's life. The schematic presentation of key canons is designed to enable the reader to understand the principal elements of a specific section and to see how those canons can be broken down so that their inter-related parts may be read, analysed and applied. The Code of Canon Law then can be seen as a valuable instrument in fulfilling the Church's mission for those with a passion for justice rooted in the Gospel of Christ.

Ministry Kenan Osborne, 2003-02-19. Ministry explores the rich and consistent history of lay ministry in the Roman Catholic Church since the first witness in the Bible. Kenan Osborne, a well-known theologian, combines his personal insights in contemporary spirituality to address the major issues that lay men and women face within the church structures at various periods of time. Has the role of the lay person in the Roman Catholic Church been diminished or supported over the centuries? Ministry examines the historical evidence thoroughly and focuses on three important factors. First, Osborne offers a critical examination of the discipleship of every follower of Jesus. Next, he describes the gradual de-emphasis of the non-cleric and non-religious in the church. Finally, he discusses the gradual emergence of the lay person into the mainstream of discipleship. Ministry is designed for the lay person and the ordained. A complement to Osborne's previous book, Priesthood, this book is an extremely important historical study and must-reading for those who seek the central foundation of discipleship within the Roman Catholic Church.

The Canon Law Letter and Spirit Gerard Sheehy, Canon Law Society of Great Britain and Ireland, 1999. The 1983 Code of Canon Law has been described by Pope John Paul II as the final

document of the Second Vatican Council In this the Holy Father was encapsulating precisely what this Code is a revision of the earlier 1917 Code which takes into account the doctrinal pastoral and practical teachings of the Council while at the same time retaining as did the Council the age old law and tradition of the Church **New Law and Life** Elissa Rinere,1985 Originally syndicated by the Catholic transcript Hartford Connecticut

Thank you entirely much for downloading **Canon Law As Ministry**. Maybe you have knowledge that, people have seen numerous times for their favorite books in the manner of this Canon Law As Ministry, but end happening in harmful downloads.

Rather than enjoying a fine PDF behind a mug of coffee in the afternoon, then again they juggled as soon as some harmful virus inside their computer. **Canon Law As Ministry** is welcoming in our digital library an online entrance to it is set as public correspondingly you can download it instantly.
