Have you ever thought of owning a unique piece of furniture, something that can't be found elsewhere? Well, to distinguish yourself from all your friends, peers and colleagues, you can decide to make something using wood. For instance, you can carve an effigy of yourself or your pet. Woodworking is a productive craft that requires wood to be cut, shaped and fitted to create beautiful and useful things. Woodwork is nothing physically demanding and you can build at your own pace. The basic concepts are simple to learn but it is always a hobby that is new and challenging as the skills grow. When you love to solve problems, you love woodworking. A significant part of your woodworking training will be having to observe practices and techniques that will protect YOURSELF and OTHERS from being harmed. Pay careful attention to the guidance provided by this book. Review the instructions for using tools and machines given in this book. You also learn to use them the safe way when you learn to use them the proper way. Create a positive protection mentality. This suggests that you have a good understanding of the value of protection and are prepared to devote time and energy to learning the best way to do your job. It means that even though no one is watching you, you will be sure to work diligently and obey the rules. If you closely observe the rules and instructions, all of them will quickly become security procedures that you will execute almost automatically.
