Captive Of The Heart:

The Captive Heart Barbara Cartland,1975 Captive Heart , *Captive Heart* L. L. Chaikin,2000 *The Captive Heart* Bertrice Small,2008-10-07 In 1461 Alix Givet the daughter of Queen Margaret s physician is forced into a loveless marriage with a Northumbrian baron s cruel son When he unexpectedly dies she flees over the border into Scotland and into the mercy of a brooding laird If she can warm his cold heart it might provide the everlasting love of her dreams Captive Heart Linda Chaikin,1998 *A Captive Heart* Sally Carr,1995 The Captive Heart ,2012 **Captive Heart** Hunter Adriana (author),1901 **Letters From A Captive Heart** Russell Lunsford,2007-11-20 The tragedy of war is measured by destruction death and heartache In the end politicians negotiate and soldiers come home But the seldom discussed tragedy of captivity leaves deep and lasting scars in those who return as well as in their families Prisoners of war suffer immeasurable humiliation and pain at their captors hands Historically the mortality rate for American POWs averages 12 percent The one exception was the POWs held in North Korea from 1950 to 1953 they died at a rate of 42 percent nearly four times more than any other war Letters from a Captive Heart is not a war story as little of the tale takes places on the battlefield It s a story of honor strength and heartbreak in the POW camps of North Korea and back home in America s heartland This historical novel starkly portrays the contrast between the innocence of the early 1950s in rural Kentucky and the horrific reality of the POW camps In this moving and poignant saga about the effects of war we find there is nothing more fragile than a captive s heart and nothing more powerful than its story of survival *A Captive Heart* Sally Carr,2012-07-16 Lora Was Falling in Love With Her Kidnapper Nothing had prepared Lora Seaton for a man like Luc de la Falaise Faced with the man s devastating good looks and Gallic charm Lora found it all too easy to forget that she was Luc s prisoner a pawn in a game of revenge she didn t understand And whatever her elaborate plans for escape she knew that Luc would always hold her heart captive **A Captive Heart** Joyce Dent Morgan,2017-07-27 Sarah Hoyt was awakened by the sound of screaming and gunshots one predawn morning in February 1704 in the westernmost outpost of Deerfield in the Massachusetts Bay Colony The dreaded attack by the French and Indians from New France was really happening and soon she was led with more than a hundred of her friends and family members who had survived the massacre three hundred miles north to New France where she was separated from all of her surviving family except one of her brothers and a childhood friend Ebenezer Nims and sent to live in a Huron Indian village near Quebec Would she ever be rescued to see her beloved family members and fianc Joseph again After many years in captivity would she be forced to go back on her promise to her father and her pastor that she would never give up her Puritan beliefs Would she be forced to marry one of the French soldiers who had taken part in the raid or did God have other plans for her **Captive Heart** Michele Paige Holmes,2011 Thayne Kendrick s urgent need for a school teacher forces him to abduct schoolteacher Emmalyne Madsen off her westward bound train and lead her to his Black Hills home and into the path of his deadly ex wife who will kill for the gold he s discovered **A Captive Heart** Joyce Dent

Morgan,2021-07-21 Screams horrendous screams shattered Sarah s dreams turning them into nightmares that fateful early morning Bolting upright in bed she shivered as the shrieks grew louder and closer piercing the predawn darkness Gunshots rang through the village Flames from burning houses lit up her window choking her as she struggled to breathe She realized now that some of the screams were coming from just behind the quilt which hung from the rafters of their house She was too frightened to look and see what might be happening to her family Suddenly a bloodied face pulled back her curtain and hovered over causing her heart to start beating so loudly that it almost drowned out and screams and gunshots The frightful man was covered in black and red paint on his bare chest and face His hair had stiff ridges that extended from his forehead to his neck He jerked her from her warm bed and motioned for her to get dressed and follow him **The Captive Heart** Cheryl Reavis,2000 *The Captive Heart* by Cheryl Reavis released on Apr 24 2000 is available now for purchase *Captive Heart* Claudette Jauniere,1981 **The Captive Heart** Michelle Griep,2016-10-01 The wild American wilderness is no place for an elegant English governess On the run from a brute of an aristocratic employer Eleanor Morgan escapes from England to America the land of the free for the opportunity to serve an upstanding Charles Town family But freedom is hard to come by as an indentured servant and downright impossible when she s forced to agree to an even harsher contract marriage to a man she s never met Backwoodsman Samuel Heath doesn t care what others think of him but his young daughter s upbringing matters very much The life of a trapper in the Carolina backcountry is no life for a small girl but neither is abandoning his child to another family He decides it s time to marry again but that proves to be an impossible task Who wants to wed a murderer Both Samuel and Eleanor are survivors facing down the threat of war betrayal and divided loyalties that could cost them everything but this time they must face their biggest challenge ever Love **Captive Heart** Marjorie Curtis,1971 **Captive Heart** Frankie J. Jones,1999-08-01 Money can t buy happiness but it can sure rent a lot of it And with her rich daddy paying the rent twenty eight year old CJ Riley lives in a world of fast cars willing women and zero responsibility Attractive arrogant charming when she wants to be CJ is used to getting what she wants when she wants it until she is pulled over for speeding by San Antonio Police Officer Lois Franklin Intense and by the book the tall tanned cop is not impressed by CJ s wealth or her advances Never one to resist a challenge CJ sets out to add Lois to her conquests unaware that a shocking chain of events is about to unfold Events that will forever change her life and her heart Originally published in 1999 by The Naiad Press **The Captive Heart** Dale Cramer,2012 As a displaced Amish community struggles in a lawless Mexico a forbidden love blossoms and one man is pushed to the limits of his convictions [The Essence and the Margin](#) Laura Rorato,Anna Saunders,2009 With the expansion of the EU and calls for a European constitution the question of a common European identity has become increasingly pressing in recent times However in the face of diverse national and regional traditions and the absence of an obvious European cultural imaginary the forging of a strong sense of European identity proves problematic This volume brings together case studies of national and regional images from across Europe

which together suggest emerging patterns of identification within contemporary Europe patterns which may not necessarily amount to a European identity but rather to a European mode of identification The chronological structure of the volume demonstrates the increasingly problematic nature of national collective memories and past imaginaries in light of emergent marginal voices and images and suggests that it is both from beyond and within the national paradigm that new challenges are now reshaping the cultural imaginary of European communities Focusing on cultural images within film literature national narratives and myths museum exhibitions and architecture this volume is of interest to a wide variety of disciplines in the humanities and presents an interdisciplinary approach to questions of cultural memory and identity formation
