Capturing Complexity An Interdisciplinary Look At Women Households And Development:

Capturing Complexity Romy Borooh,1994 Developing Power Arvonne S. Fraser,Irene Tinker,2004 Founders of the global women s movement share personal accounts about the trials and challenges of their work *Handbook of Cultural Developmental Science* Marc H. Bornstein,2014-06-03 Researchers and theoreticians commonly acknowledge the profound impact of culture on all aspects of development However many in the field are often unaware of the latest cultural literatures or how development proceeds in places other than their home locations This comprehensive handbook covers all domains of developmental science from a cultural point of view and in all regions of the globe Part 1 covers domains of development across cultures and Part 2 focuses on development in different places around the world The Handbook documents child and caregiver characteristics associated with cultural variation and it charts relations between cultural and developmental variations in physical mental emotional and social development in children parents and cultural groups This contemporary and scholarly resource of culture in development covers theoretical methodological substantive and ethnic issues as well as geographic approaches Each chapter includes an introduction historical and demographic considerations theory an overview of the most important classical and modern research studies recommended future directions in theory and research and a conclusion The chapters focus on children from the prenatal stage through adolescence Interdisciplinary in nature the Handbook will appeal to human development theoreticians researchers and students in psychology education and pediatrics Ideal for those new to the field readers will appreciate the plethora of cultural examples from all fields of child and human development and developmental examples from all fields of cultural study **Development and Gender Capital in India** Shoba Arun,2017-09-06 The Indian state of Kerala has invoked much attention within development and gender debates specifically in relation to its female capital an outcome of interrelated historical cultural and social practices On the one hand Kerala has been romanticised with its citizenry particularly women being free of social divisions and uplifted through educational well being On the other hand its realism is stark particularly in the light of recent social changes Using a Bourdieusian frame of analysis *Development and Gender Capital in India* explores the forces of globalisation and how they are embedded within power structures Through narratives of women s lived experiences in the private and public domains it highlights the anomie of gender through complexities and contradictions vis vis processes of modernity development and globalisation By demonstrating the limits placed upon gender capital by structures of patriarchy and domination it argues that discussions about the empowered Malayalee women should move from a mere politics of rhetoric and representation to a more embedded politics of transformation meaningfully taking into account women s changing roles and identities This book will be of interest to scholars and students of Development Studies Gender Studies Anthropology and Sociology

Women And Microcredit In Rural Bangladesh Aminur Rahman,2019-05-20 The Grameen Bank of Bangladesh has been extending small loans to poor borrowers primarily women to promote self employment and income generation since

1976 The apparent success of the Grameen Bank that is recruitment of clients investment of loans recovery rates on invested loans and profit margins has made microcredit a new model for poverty alleviation and sustainable development Anthropological research results on Grameen Bank lending to women presented in this book however illuminates the link between the success of the bank and debt cycling of borrowers The priority of earning profits to insure institutional economic viability caused Bank employees at the grassroots level to emphasize increasing the number of loans disbursed and loan recovery By using the joint liability model of lending the Bank workers and borrowing peers impose intense pressure on clients for timely repayment Many borrowers maintain their regular payment schedules but do so through a process of loan recycling that is pay off previous loans with new ones that considerably increases borrower debt liability The debt burdens on individual households in turn increase tension and anxiety among household members and produce unintended consequences for many clients This book examines women borrowers involvement with the microcredit program of the Grameen Bank and the grassroots lending structure of the bank it illustrates the implications of Grameen lending for the borrowers their household members and bank workers The focus of the study is on the processes of village level microcredit operation it addresses the realities of the day to day lives of women borrowers and bank workers and explains informant strategies for involving themselves in this microcredit scheme The study is on the power dynamics of everyday lives of informants as they affect women borrowers relationships within the household and the loan centers and bank worker relationships within the loan center and the bank *Guilty Without Trial* Carolyn Sleightholme, Indrani Sinha, 1996 The Authors Write With Rare Perception And Sensitivity About The Lives Of Sex Workers In Calcutta Who Have Shared Their Stories With Them

Gender and Health Jyoti Prasad Saikia, 2019-01-01 This volume has addressed the various health problems related to the Women s such as impact of reproductive technologies working hazards widowhood and urbanization upon women s health Along with these issues like women s reproductive health awareness life expectancy etc has also been covered A gender perspective has been employed while addressing these various aspects As the articles have been brought in from the various parts of India under their purview the heterogeneity of the problems associated with women s health in India has been made explicit **Capturing Complexity** Romy Borooah, 1994-07-06 Improving the quality and quantity of policy relevant data on women by training researchers to undertake problem centred applied interdisciplinary research is the theme of this book Individual chapters discuss such topics as why a women specific focus is necessary why it has been difficult to use conventional methods and how household research may contribute to improving the quality of data Sociological Bulletin, 1997 **Gender and Development: Aspects of culture and health** Janet Henshall Momsen, 2008 Women and Gender Equity in Development Theory and Practice Jane S. Jaquette, Gale Summerfield, 2006-03-27 The book is divided into three main parts which includes institutional opportunities and barriers livelihood and control of resources and womens mobilization and power Women in Action, 1995 *Gender, Space, and Time* Dorothy Moss, 2006-04-13 Drawing on the

work of Henri Lefebvre and Barbara Adam *Gender Space and Time* is a brilliant study that offers a unique and original threefold conceptualization of how space and time is developed and applied in an empirical study of women's lives Author Dorothy Moss focuses on the everyday practice and experience of women higher education students at a community college in northern England Women's action is considered in relation to the complex and interconnected spheres of paid work home leisure community and higher education Through highlighting concepts of space and time the complex relationship between networks of power and personal action gains visibility Moss conceptualizes women as centers of action and demonstrates the ways in which they construct personal pathways connect different spheres of experience integrate new time demands into the multiple rhythms of their everyday lives and carve out personal space *Gender Space and Time* is a timely and compelling work certain to be of interest to scholars of sociology women's studies and anthropology

Of Woman Caste Anjali Bagwe, 1995-05 This major study of village women's lives demonstrates the many creative strategies women use to cope with the dual stresses of poverty and patriarchy Focusing in particular on village farmers the author has explored the grassroots reality of women's lives in her ancestral village Masure on the Konkan coast of western India Of major significance are the case studies where village women reveal a variety of strategies for dealing with male dominance While showing how the women may subvert transcend or compromise with the rigid prescriptions for their lives the study also reveals both the considerable wastage of women's creativity and intelligence and the reserves of strength compassion and dignity of the women interviewed The book also explores the historical and socio economic context and shows the ravages of bad planning corruption and ecological devastation in a formerly rich agricultural region A powerful portrayal of village life *Of Woman Caste* furthers our understanding of the complexities which village women face in maintaining the balance between traditional expectations and current realities
