A Distant Drum:

A distant drum Jocelyn Pereira, 1972 **A Distant Drum ...** Charles Bracelen Flood, 1957 The Alien Within Leith Morton, 2009-02-26 Readers worldwide have long been drawn to the foreign the exotic and the alien even before Freud's famous essay on the uncanny in 1919 Given Japan's many years of relative isolation followed by its multicultural empire these themes seem particularly ripe for exploration and exploitation by Japanese writers Their literary adventures have taken them inside Japan as well as outside and how they internalized the exotic through the adoption of modernist techniques and subject matter forms the primary subject of this book The Alien Within is the first book length thematic study in English of the alien in modern Japanese literature and helps shed new light on a number of important authors Morton examines the Gothic a form of writing with strong affinities to European Gothic and a motif in the fiction of several key modern Japanese writers such as Arishima Takeo Morton also discusses the translations of Tsubouchi Shoyo Japan's most famous early translator of Shakespeare and how this most alien and exotic author was absorbed into the Japanese literary and theatrical tradition The new field of translation theory and how it relates to translating Shakespeare are also discussed Morton devotes two chapters to the celebrated female poet Yosano Akiko whose verse on childbirth and her unborn children broke taboos relating to the expression of the female body and sensibility He also highlights the writing of contemporary Okinawan novelist Oshiro Tatsuhiro whose work springs from what is for Japanese an exotic subtropical landscape and makes symbolic reference to the otherness at the heart of Japanese religiosity Another significant but equally overlooked subject is the focus of the final chapter which analyzes the travel writing of internationally best selling author Murakami Haruki Murakami's great corpus of work includes a one volume study of the 2000 Sydney Olympics which Morton discusses in detail The Alien Within breaks new ground in its treatment of the exotic in modern Japanese writing and in its discussion of authors and work hitherto absent from critical discussions in English It will be of significant interest to readers of literature and students of modern Japanese culture and women's writing as well as those fascinated by the occult Gothic fiction and the exotic

Rubáiyát of Omar Khayyám Omar Khayyam, 1915 *The New Yorker* Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 1927 **A Distant Drum...** Andi Rae Mills, 2011-09-15 We were riding on top of the world We were two women in our fifties and we probably should have been anywhere other than where we were at that moment The scenery was spectacular but I was beginning to wonder if it was

worth dying for literally The loose rocks and tight switchbacks had cost us precious time This was not a place we wanted to get caught after dark Edie and I rode in silence as we negotiated the treacherous footing We had known we would face danger on this ride but I had never envisioned anything like the scenario we were currently dealing with My senses seemed cross wired At a time when I should have logically been bordering on panic I found myself engulfed in an eerie sense of calm Fear was a luxury we couldn't afford at the moment If we got off this mountain alive there would be plenty of time to be scared as we recalled the ordeal The trail was incredibly narrow The climb had been steep and rugged We would reach an altitude in excess of seven thousand four hundred feet as we rode the crest of Mt Francis On our immediate left a sheer rock wall rose vertically with occasional outcroppings that jutted into the trail Our knees at times rubbed the craggy rock face A glance to the right brought no comfort A severe drop off afforded us a view of the tops of trees hundreds of feet below We were riding on a trail that was no more than a narrow ledge on the face of the mountain For some reason known only to them both horses insisted on walking along the extreme outer edge of the trail They seemed to feel more comfortable on the edge rather than being crowded by the wall Both Edie and I found ourselves sitting off center and leaning slightly toward the wall If our horses lost their footing we hoped to be able to jump clear of them and land on the trail A lump the size of a softball threatened to choke me each time I heard a piece of the trail crumble beneath our horse's feet sending rock and dirt tumbling over the edge We had reached a point of no return We had no idea what lay ahead of us there was no way to turn around no way to back the horses out of where we were and at this point dismounting was a physical impossibility due to the close proximity of the rock face and the narrow width of the trail We both knew that we were in a potentially life threatening situation If a cougar or a snake spooked the horses we would all have a one way ticket to the rocky bottom of the canyon far below That gruesome thought was still in my mind when our bad situation grew decidedly more complicated As I focused on the trail ahead my mind rejected what my eyes could clearly see Thirty feet ahead of us the trail simply disappeared All I could see beyond that point was air and lots of it I wondered if Edie who rode only a few feet behind me saw what I saw She did
