A Dreamers Heart:

Lyrics of a Dreamer's Heart Fionna M. Wright,2012-01-31 Life is a continuous series of lessons in love pain healing and growth Author Fionna Wright has never been comfortable talking about her deepest emotions and thoughts but those feelings were real and needed to be processed At a young age she found comfort and healing in writing It has always been her truth her escape and her safe place She has written *Lyrics of a Dreamers Heart* for other dreamers like herthose who seldom share their deepest thoughts but live by them nonetheless Though writing was her passion until now it was also her secret She did not share her passion with many people and only recently began to embrace it as something that she could share with others with the hope of helping them After a substantial amount of pain heartache self exploration and healing she made the decision to share her experiences with others who may be going through similar challenges in their lives *Lyrics of a Dreamers Heart* is an honest pure raw look into her heart and soul through her lifes journey Purest Love Worldly restrictions and judgments cannot obstruct love in its purest form Searching for love in its purest form can be destructive Finding love in its purest form can be healing Find love for all

A Dreamer's Heart Lara Phoenix,2018-07-31 From an early age my dreams were filled with sorrow and scary beings that went bump in the night Many times I would be awakened by my own screams as nightmares pulled at me My father told me I had power in my dreams To use that power to control what happened He told me to talk to myself in my dream and tell the others in the dream I was not afraid It was an amazing thing to be able to control the outcomes of a dream I was not always able to do it Sometimes the darkest of nightmares still pulled me into the darkness As I grew up the nightmares lessened and my dreams turned into wonderful tales of love and light I turned those dreams into poetry and short stories Words became my blanket of safety and control I use them to share the greatest of emotions The power of love the hurt of loss the anger of betrayal After my nephew died I found words to help me cope and continued to fill blank pages with poetry and tales of the what if what could be and what may be I am a keeper of journals filled with blank pages calling to me to be filled When my Mom passed away I stalled I tried to move forward but I had not the will to pursue the dream any further Shame on me *A Dreamer s Heart* is my dedication to my Mom who loved reading every word I put down and encouraged me to not give up This book is compiled of poetry and prose written from my dreams my hopes and yes my experiences in this life We all have dreams we keep to ourselves close to our heart Maybe we feel it is wrong to have such dreams or that it is an insult to the life we lead Fear not for our dreams are ours to hold to share if we wish or to wrap in a box with a big red bow that we place inside our heart for our eyes only

The moments that become memories and the people we hold dear for a lifetime *Dreamer in Me* ,2024-09-24 A dreamer is a soul who resides in the dominion of imagination and possibility They are the weavers of vivid draperies in the playhouse of the mind where dreams take flight like untamed birds A dreamer s heart beats to the rhythm of unknown adventures and their spirit thrives on the unexplored landscapes of creativity They are visionaries painting the future with hopes ambitions and aspirations often daring to chase those ethereal reveries against scepticism A dreamer is a wanderer navigating the maze of desires and an architect of castles in the air constructing the architecture of what could be A dreamer is not bound by the ordinary but dances on the boundary of the extraordinary for they believe in the power of dreams to shape reality to transform the world and to awaken the dormant magic within us all *Dreams in Symphony* Mir Aus,2023-07-15 Ar you r
