A Credible Jesus:

A Credible Christianity Walter Kania Ph D, Walter Kania, 2010 A Syrian poet noted that The world holds two classes of men intelligent men without religion and religious men without intelligence A Nobel Prize winning physicist Dr Steven Weinberg said Religion is an insult to human dignity With or without it you would have good people doing good things and evil people doing evil things But for good people to do evil things that takes religion Could they both be right Or is it possible that we could have a Christianity that is intelligible believable and credible In order for that to be true we would need to rescue our traditional notions and practice of the Christian faith from its ancient fraudulent time warp We need to help it remove itself from the cultural trance in which it exists and the faulty beliefs which it holds We continue to survive on and promote an ancient discredited history of Jesus and the Church The secular and Biblical Scholarship of the last 200 years has been largely ignored in today s Christian beliefs and practices What we have today in Christianity is a distorted disfigured and fraudulent hero of the Christian faith We have numbed and parked our mental faculties regarding the historic knowledge of our religion and the truthful accurate and proper exercise or practice of our religion A Credible Christianity provides you with the best and latest scholarship behavioral research and psychological insight Galileo a hero of the Renaissance who was accused of sacrilege in his day said I do not feel obliged to believe that the same God who has endowed us with sense reason and intellect has intended us to forego their use [A Credible Jesus](#) Robert Walter Funk, 2002 Jesus saw the extraordinary in the ordinary His extraordinary vision comes to us in bits and pieces in random stunning insights embedded in the everyday language of his parables aphorisms and dialogues In A Credible Jesus Robert Funk sorts and assembles these fragments and examines ways in which the vision they preserve can serve twenty first century people searching for meaning in a very different world than the one Jesus inhabited The results are both unsettling and reassuring *Dictionary Of Atheism Skepticism & Humanism* Bill Cooke, 2009-12-30 In the tradition of Voltaire s Philosophical Dictionary Ambrose Bierce s Devil s Dictionary and Joseph McCabe s Rationalist Encyclopedia this accessible dictionary addresses the contemporary need for a reference book that succinctly summarizes the key concepts current terminology and major contributions of influential thinkers broadly associated with atheism skepticism and humanism In the preface author Bill Cooke notes that his work is intended for freethinkers in the broadest sense of the word people who like to think for themselves and not according to the preplanned routes set by others This dictionary will serve as a guide for all those people striving to lead fulfilling morally responsible lives without religious belief Readers are offered a wide range of concepts from ancient well known notions such as God free will and evil to new concepts such as eupraxsophy Also included are current buzzwords that have some bearing on the freethought worldview such as metrosexual The names of many people whose lives or work reflect freethought principles form a major portion of the entries Finally a humanist calendar is included on which events of interest to freethinkers are noted This unique accessible and highly informative work will be a welcome addition to the libraries of open

Finding the Real Jesus Lee Strobel,2009-12-15 Who was Jesus really For centuries the Christian church has taught that Jesus is the divine Son of God crucified for sinners and raised from the dead In recent years however that picture of Jesus has come under widely publicized attack from sources ranging from critical scholars to Internet pundits to popular historians and others The new portraits of Jesus seem persuasive You can t help but wonder Did Christianity merely copy its beliefs from earlier mythology Did the church suppress alternate gospels Did Jesus never die on the cross or rise from the dead for sinners Is the New Testament hopelessly riddled with errors New York Times bestselling author Lee Strobel helps you separate truth from media hype sound scholarship from bias and fact from speculation Digging below the surface this book provides credible informed answers to today s most pressing questions about Jesus The Life of Jesus Christ According to the Gospel History Anthony John Maas,1904 The Institute Tie ,1917 **A Dictionary of Christ and the Gospels: Labour-Zion, with appendix and indexes** James Hastings,John Alexander Selbie,John Chisholm Lambert,1908 **Where is Christ?** Frederick Stephen Hughes,Anglican priest in China,1919 **Devotions for Holy Communion, Compiled from the Roman Missal and Breviary, the Paradiscus Animae, the Following of Christ, the Hymns of the Church and the Writings of Saints** Catholic Church,1910 A meditation on the incarnation of Christ Thomas (à Kempis),1907 A five years' course of Bible and Prayer book teaching.
