Mark Tabb, 2025-06-03 When you ve done all the right things read all the right books and listened to all the right worship songs yet still feel like you don t have this faith thing figured out what do you do It can be hard to voice the questions and doubts floating around your head and heart to others But you re not the only

one who feels that way For anyone tired of church politics the unspoken rules of Christian subculture and taking themselves too seriously Mark Tabb is your new best friend He asks the questions you might hesitate to admit having like Can I call myself a Christian if I don't watch The Chosen Is God kind of mean but we're all afraid to say something If I believe God is in control why am I upset about politics Why don't I feel it What if I'm wrong and more Not only will he explore the answers to ten specific questions he'll show you how to get comfortable talking with others about all the weird and uncomfortable questions you have Because figuring out life together just might be the catalyst we need to renew our faith and our hope for the future
