A Fathers Odyssey:

An Odyssey Daniel Mendelsohn, 2017 When eighty one year old Jay Mendelsohn decides to enroll in the undergraduate Odyssey seminar his son teaches at Bard College the two find themselves on an adventure as profoundly emotional as it is intellectual **An Odyssey: A Father, A Son and an Epic: SHORTLISTED FOR THE BAILLIE GIFFORD PRIZE 2017** Daniel Mendelsohn, 2017-09-07 SHORTLISTED FOR THE BAILLIE GIFFORD PRIZE 2017 SHORTLISTED FOR THE LONDON HELLENIC PRIZE 2017 WINNER OF THE PRIX M DITERRAN E 2018 From the award winning best selling writer a deeply moving tale of a father and son s transformative journey in reading and reliving Homer s epic masterpiece A Father's Collage John P. Glaser, 2003 FROM THE AUTHORMy children have filled a scrapbook of memories Memories that are very similar to perhaps duplicates of the memories held by millions of fathers Undistinguished common memories that yet are priceless These memories are largely fond ones Conversations attempts to change hair color soccer games skiing and holidays But not all of the memories bring smiles Arguments over curfews sickness and futile efforts to fix something wrong Some memories are of anger concern and worry These memories form a collage A collage that has no obvious coherence or obvious messages These memories do not portray complex lives gripping struggles nobility of purpose or exotic settings But a fellow father looking at my collage might recognize my memories as much like his own And he and I looking at our almost identical collages would smile at our art and share our good fortune that our collages have so many pictures **A Father's Odyssey** Terry Hitchcock, Peter Jessen, 2008-08-03 What would you do if your soulmate died you lost your job and you found yourself with your three young children depending on you alone For most it would be a struggle to survive let alone keep it together Even putting one foot forward every day would become an epic act of bravery One man defied these very circumstances and managed to do much more than just survive in the years following his wife s death Terry Hitchcock age 57 at the time ran 75 consecutive marathons in 75 consecutive days He travelled over 2 000 miles to bring awareness to the financial and emotional hardships faced by single parents and their children everyday heroes who run quiet yet extraordinary daily marathons Terry Hitchcock proved that impossible is only a word A Father s Odyssey 75 Marathons in 75 Consecutive Days will inspire au to remember that achieving what you are called to do is always possible Book jacket An Odyssey Daniel Adam Mendelsohn, Lecturer in the Department of Classics Daniel Mendelsohn, 2017-09-12 When eighty one year old retired research scientist Jay Mendelsohn decides to enroll in the undergraduate Odyssey seminar that his son Daniel teaches at Bard College the two find themselves on a transformative journey in reading and reliving Homer s epic masterpiece *The Mourner's Song* James Tatum, 2004-05 No matter when or where they are fought all wars have one thing in common a relentless progression to monuments and memorials for the dead Likewise all art made from war begins and ends in mourning and remembrance In *The Mourner's Song* James Tatum offers incisive discussions of physical and literary memorials constructed in the wake of war from the Vietnam Veterans Memorial to the writings of Stephen Crane Edmund

Wilson Tim O'Brien and Robert Lowell Tatum's touchstone throughout is the Iliad not just one of the earliest war poems but also one of the most powerful examples of the way poetry can be a tribute to and consolation for what is lost in war. Reading the Iliad alongside later works inspired by war Tatum reveals how the forms and processes of art convert mourning to memorial. He examines the role of remembrance and the distance from war it requires, the significance of landscape in memorialization, the artifacts of war that fire the imagination, the intimate relationship between war and love and its effects on the ferocity with which soldiers wage battle, and finally the idea of memorialization itself. Because all survivors suffer the losses of war, Tatum's is a story of both victims and victors, commanders and soldiers, women and men. Photographs of war memorials in Vietnam, France, and the United States beautifully augment his testimonials. Eloquent and deeply moving, *The Mourner's Song* will speak to anyone interested in the literature of war and the relevance of the classics to our most pressing contemporary needs.

The Father Luigi Zoja, 2003-09-02 Luigi Zoja views the origin and evolution of the father from a Jungian perspective. He argues that the father's role in bringing up children is a social construction that has been subject to change throughout history and looks at the consequences of this along with the crisis facing fatherhood today. *The Father* will be welcomed by people from a wide variety of disciplines including practitioners and students of psychology, sociology, and anthropology, and by the educated general reader.

The Last Letter Karen Baum Gordon, 2021-11-12 A Good Morning America Pick of the Week. Born a German Jew in 1915, Rudy Baum was eighty-six years old when he sealed the garage door of his Dallas home, turned on the car ignition, and tried to end his life. After confronting her father's attempted suicide, Karen Baum Gordon, Rudy's daughter, began a sincere effort to understand the sequence of events that led her father to that dreadful day in 2002. What she found were hidden scars of generational struggles reaching back to the camps and ghettos of the Third Reich. In *The Last Letter: A Father's Struggle, a Daughter's Quest, and the Long Shadow of the Holocaust*, Gordon explores not only her father's life story but also the stories and events that shaped the lives of her grandparents, two Holocaust victims that Rudy tried in vain to save in the late 1930s and early years of World War II. This investigation of her family's history is grounded in eighty-eight letters written mostly by Julie Baum, Rudy's mother, and Karen's grandmother to Rudy between November 1936 and October 1941. In five parts, Gordon examines pieces of these well-worn handwritten letters and other archival documents in order to discover what her family experienced during the Nazi period and the psychological impact that reverberated from it in the generations that followed. Part of the Legacies of War series, *The Last Letter* is a captivating family memoir that spans events from the 1930s and Hitler's rise to power through World War II and the Holocaust to the present-day United States. In recreating the fatal journeys of her grandparents and tracing her father's efforts to save them an ocean away in America, Gordon discovers the forgotten fragments of her family's history and a vivid sense of her own Jewish identity. By inviting readers along on this journey, Gordon manages to honor victim and survivor alike and shows subsequent generations now many years after the tragic events of World War II what it means to remember.

Fathers and Sons in Cinema Gershon Reiter, 2008-06-02 Popular American films are replete with story lines which involve the father son relationship often as the pivotal conflict or dragon which a hero must overcome to achieve success Sometimes these conflicts are straightforward other times they are projections of the central character's unconscious becoming conscious in essence a modern form of myth These American film myths serve as a visual means to project the psyche in an entertaining and easily accessible manner Focusing on mythic structure this volume explores 12 popular movies that deal with various aspects of the father son relationship including the process of becoming a father absent fathers the rite of passage and the turmoil between fathers and adolescents Films examined include *The Wizard of Oz* *Back to the Future* *Stand By Me* *Red River* *City Slickers* *North by Northwest* *E.T. the Extraterrestrial* *Field of Dreams* *Lone Star* *The Lion King* *Jurassic Park* and *The Searchers*
