Candidate For Murder:

A Candidate for Murder Joan Lowery Nixon,1990-08-01 Cary finds her life in danger when she uncovers a plot to sabotage her father s political campaign for governor of Texas *A Candidate for Murder* Joan Lowery Nixon,1991-01 Cary finds her life in danger when she uncovers a plot to sabotage her father s political campaign for governor of Texas **A Candidate for Murder** Frank Orenstein,1987-01-01 *FORENSICS III* Harry A. Milman PhD,2024-04-21 In Forensics III They Got Fifteen Minutes of Fame from the Way They Died I reviewed twenty eight ordinary people who were thrust into the spotlight gaining fame not for their talents or accomplishments while living but for the way they died Newspaper and magazine articles ensured that stories of the circumstances surrounding their deaths remained in the public eye so that as Andy Warhol had predicted their fame would last at least fifteen minutes In some cases it lasted much longer While these individuals may have been ordinary before they died they became extraordinary after death Some of the people I reviewed in Forensics III They Got Fifteen Minutes of Fame from the Way They Died include the Boy in the Box later identified as Joseph Zarelli who died from blunt force trauma Azaria Chamberlain a nine week old infant who was killed by a dingo at Ayers Rock in Australia George Floyd whose death resulted from police brutality Ron Goldman and Nicole Brown Simpson who were stabbed to death Elisa Lam who drowned in a water tank on the roof of her hotel Michael Faherty whose death in Ireland was attributed to spontaneous human combustion Katherine Morris who died from carbon monoxide poisoning due to charcoal grilling in an automobile Carlos Sousa who was mauled to death by a tiger Sahel Kazemi and Steve McNair who committed murder suicide and Jayne and Corinne Peters whose death was due to filicide suicide among many others Forensics III They Got Fifteen Minutes of Fame from the Way They Died reads like a mystery novel presenting biographical and scientific information that helps readers understand how medical examiners and coroners utilized forensic analysis to determine the causes and manners of death of twenty eight not so famous people **The Compiled Laws of the State of Michigan, 1897** Michigan,Lewis Montgomery Miller,1899 *A Candidate for Murder* Pieter E Haumann,2022-09 In this the second instalment of the van Tonder series we are introduced to a young Esopus van Tonder from his time in the military to his induction into the newly formed Unit 1 and the initial makings of the legendary detective he would one day become The year is 1979 and Unit 1 is serving on security detail for their former commander and front runner in the upcoming national elections Jimmy Jacobs who had spent two years in an enemy internment camp after a mission had gone awry Esopus must fight to keep Jacobs alive when an assassin makes him his target But who could be coming after this war hero Is it the Soviets Maybe the government themselves trying to get rid of their political rival Or is there something more sinister afoot **Candidate for Murder** Lauren Carr,2016-06-09 It s election time in Spencer Maryland and the race for mayor is not a pretty one In recent years the small resort town has become divided between the year round residents who enjoy their rural way of life and the city dwellers who are moving into mansions taking over the town council and proceeding to turn Deep

Creek Lake into a closed gate community complete with a host of regulations for everything from speed limits to clotheslines. When the political parties force feed two unsavory mayoral nominees to the town's residents David O Callaghan the chief of police decides to make a statement by nominating Gnarly Mac Faraday's German shepherd to run for mayor of Spencer. What starts out as a joke turns into a disaster when overnight Gnarly becomes the front runner and his political opponents proceed to dig into the canine's past. When one of the mayoral candidates ends up dead it becomes apparent that slinging mud is not enough for someone with a stake in this election. With murder on the ballot Mac Faraday and the gang including old friends from past cases dive in to clear Gnarly's name, catch a killer and save Spencer.
