Candy Stripe Nurses:

Roger Corman's New World Pictures (1970-1983): An Oral History Volume 1 Stephen Armstrong, Roger Corman's New World Pictures 1970-1983 An Oral History Volume 1 The environment Roger Corman established at New World Pictures allowed young filmmakers like Jonathan Demme, Paul Bartel, Joe Dante, Jonathan Kaplan, Jack Hill, James Cameron, Ron Howard, and me to gain invaluable experience making movies. Film scholars and general readers alike will find much to enjoy in this oral history. Steve Carver, Director, *Big Bad Mama*, Capone, Lone Wolf, McQuade. In 1970, Roger Corman launched his own film production/distribution company, New World Pictures. Over the next thirteen years, he would supervise the creation and release of more than one hundred films, including such classics as *Death Race 2000* (1975), *I Never Promised You a Rose Garden* (1977), *Piranha* (1978), and *Rock N Roll High School* (1979). Filled with entertaining anecdotes and insiders' insights about the filmmaking process, Roger Corman's *New World Pictures 1970-1983: An Oral History Volume 1* features interviews with twenty individuals who worked on New World movies, among them Belinda Balaski, Jon Davison, Dick Miller, John Sayles, Lewis Teague, and Jack Hill, as well as a conversation with Corman himself. It's time for a collection like this about New World Pictures and the man that made it all happen. Roger Corman: Roger is the seed of more careers than you can imagine in Hollywood.

Belinda Balaski, Actor, *Piranha*, *The Howling* **Spinegrinder** Clive Davies, 2015-03-06. First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available today, a fan of horror and exploitation movies isn't necessarily educated on paths well trodden. Universal classics, 1950s monster movies, Hammer, as once they were. They may not even be born and bred on *DAWN OF THE DEAD*. In fact, anyone with a bit of technical savvy quickly becomes second nature for the born-and-bred clicking generation. May be viewing *MYSTICS IN BALI* and *S S EXPERIMENT CAMP* long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called godfather of gore, carries the same stripes as Alfred Hitchcock, master of suspense. *SPINEGRINDER* is one man's ambitious, exhaustive, and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won't care to write about. One opinion: 8,000 reviews or thereabouts. *Film by Design* Gary D. Rhodes, Robert Singer, 2024-09-16. Contributions by Vlad Dima, Laura Hatry, Alicia Kozma, Lynette Kuliyeva, Madhuja Mukherjee, Frank Percaccio, Gary D. Rhodes, Courtney Ruffner, Grieneisen, Marlisa Santos, Michael L. Shuman, and Robert Singer. Movie posters, regardless of their country of origin, have become indelibly linked with the films they represent, often assuming a status as visual encapsulations of films within collective memory. Long after their initial role in promotion is complete, these posters endure as iconic images etched into film history and cultural consciousness. One can hardly hear mention of Steven Spielberg's landmark production *Jaws*, for example, without immediately picturing the evocative poster art of Roger Kastel. *Film by Design: The Art of the Movie Poster* is a groundbreaking and comprehensive exploration of the international and Hollywood movie poster as a dynamic artistic and

cultural formation Drawing inspiration from such prominent genres as horror science fiction and noir the twelve essays in this collection provide insightful analyses of the movie poster as a vital component of the cinematic landscape from the silent era to the contemporary period Crucially this anthology rejects the notion of movie posters as mere historical artifacts or advertising tools and instead examines them as integral parts of a broader aesthetic framework interwoven into their respective film narratives Each chapter whether focusing on controversies close ups or Cuba is accessible to scholars students and fans alike Through its intervention in film studies *Film by Design* reveals the movie poster to be an ever evolving medium firmly grounded in both theory and practice while serving as an essential and enduring element within the realm of film art

At a Theater or Drive-in Near You Randall Clark,2013-12-17 Millions of Americans have been thrilled scared titillated and shocked by exploitation movies low budget films with many scenes of sex violence and other potentially lurid elements The term derives from the fact that promoters of such films exploit the contents in advertising that plays up the sexual or violent aspects of the films This is the first comprehensive study of the American exploitation film to be published It discusses five distinct genres the teen movie the sexploitation film the martial arts movie the blaxploitation film and the lawbreaker picture Contained within these genres are many popular American film types including beach movies biker pictures and women s prison movies The study provides a history and sociopolitical analysis of each genre focusing on significant films in those genres It also discusses the economics of exploitation films and their place in the motion picture industry the development of drive in theaters the significance of the teenage audience and the effect of the videocassette Finally the book applies major film and cultural theories to establish an aesthetic for evaluating the exploitation film and to explore the relationship between film and audience
