Martin,2009 Gay N Martin is an award winning writer whose books include Alabama Off the Beaten Path Her writings have appeared in Modern Bride Seventeen the Boston Herald and the Times Picayune Grits Erin Byers Murray,2018-11-06 Grits is a fascinating cultural history and examination of the current role of grits in Southern cuisine For food writer Erin Byers Murray grits had always been one of those basic bland Southern table necessities something to stick to your ribs or dollop the butter and salt onto But after hearing a famous chef wax poetic about the terroir of grits her whole view changed Suddenly the boring side dish of her youth held importance nuance and flavor She decided to do some digging to better understand the fascinating and evolving role of grits in Southern cuisine and culture as well as her own Southern identity As more artisan grits producers gain attention in the food world grits have become elevated and appreciated in new ways nationally on both sides of the Mason Dixon Line and by international master chefs Murray takes the reader behind the scenes of grits cultivation visiting local

growers millers and cooks to better understand the South's interest in and obsession with grits. What she discovers though is that beyond the culinary significance of grits the simple staple leads her to complicated and persisting issues of race, gender and politics.

Miss Monica's Bayou Oasis Monica A. Fowler, 2012-03-29. God's Country Natchitoches Louisiana focuses on French Creole cuisine and is one of the many Parishes that cultivates this lavish cuisine. Natchitoches is a very small town in Louisiana it's so small my mother used to say you could throw a rock from one end of town to the other. Natchitoches was founded in 1741 by Juchereau de St Denis which means Chinquapin eaters derived from an Indian Tribe. One of the effects of this unique history of the French soldiers is the banks of Cane River which lie through the beautiful brick streets. Enslaved people of Cane River region were also affected by cultural changes following the Louisiana Parish under French and Spanish rule. Most slaves originated from the Senegambian region of Africa. A few plantations still with functioning families is the Magnolia Plantation. Besides the exquisite history of this amazing town food plays a big part in the structure of little town called Natchitoches. Meat Pies, everything made with pecans, Crawfish Pie, File Gumbo and everything made from a fresh slottered hog which I never had the opportunity to experience with my grandfather J.C. Moody. I didn't grow up in Louisiana but I sure didn't miss out on the blessings of cooking the many recipes given to me from Cane River, my mother, grandmother and uncle Lonzia.
