The Lazy Dog's Guide to Enlightenment Beth Wilson,2011-02-09 Enlightenment doesn't always come in the form we expect It need not appear as a self styled guru or a complicated theory measuring some mysterious quality Sometimes it's as close as the chocolate Lab bounding happily through the backyard or the lovable terrier contentedly curled up in one's lap In the foreword to this thoughtful examination of enlightenment Dr Bernie Siegel sums it up Dogs are healers They are enlightened They seem to have figured out how to live beautifully so much better than we humans have In these pages distinctive black and white dog images by acclaimed animal photographer Zachary Folk are illuminated by captions of down to earth spiritual wisdom from the dogs to us their often confused humans A delightful romp through canine philosophy this charming collection celebrates the simple wisdom and that special combination of natural earthiness and subtle spirituality that characterize humankind's best friend

Knowledges Born in the Struggle Boaventura de Sousa Santos, Maria Meneses,2019-10-17 In a world overwhelmingly unjust and seemingly deprived of alternatives this book claims that the alternatives can be found among us These

alternatives are however discredited or made invisible by the dominant ways of knowing Rather than alternatives therefore we need an alternative way of thinking of alternatives Such an alternative way of thinking lies in the knowledges born in the struggles against capitalism colonialism and patriarchy the three main forms of modern domination In their immense diversity such ways of knowing constitute the Global South as an epistemic subject The epistemologies of the South are guided by the idea that another world is possible and urgently needed they emerge both in the geographical north and in the geographical south whenever collectives of people fight against modern domination Learning from and with the epistemic South suggests that the alternative to a general theory is the promotion of an ecology of knowledges based on intercultural and interpolitical translation The Way of the Strong Ridgwell Cullum,1914 **Korean Tales** Horace Newton Allen,1889
