Capable of Honor Allen Drury,1966 *The Suspense Thriller* Charles Derry,2010-06-21 This book is a comprehensive study of one of the most popular genres in the cinema From a perspective sympathetic to popular culture this study analyzes a large number of primarily American and European films by a variety of distinguished directors including Alfred Hitchcock Claude Chabrol John Frankenheimer Michelangelo Antonioni and Costa Gavras Indispensable to anyone interested in understanding how suspense thrillers work and what they mean this book provides insightful analysis of hundreds of memorable films while at the same time working as a virtual how to manual for anyone trying to write a Hitchcock like thriller The first section of the book is primarily theoretical It offers a bibliographical survey and then explains why we so profoundly enjoy these suspenseful films of murder and intrigue A chapter on Thrills or How Objects and Empty Spaces Compete to Threaten Us explores the psychological concept of the thrill and relates it to the psyche of the spectator To what extent does the suspense thriller represent a symbolic and vicarious experience of danger A chapter on Suspense That Makes the Spectator Take a Breath explores the crucial narrative concept of suspense and relates it to the psychological mechanisms of anxiety incited in the spectator Why do we like to be scared A final theoretical chapter offers a dynamic definition of the suspense thriller derived in part from Edgar Allan Poe and based primarily on content analysis The second section of the book is more of an historical survey and devotes one chapter to each of the suspense thriller s primary sub genres These chapters provide close readings of more than 150 major films and detailed analysis of the suspense thriller s conventions themes and recurrent iconography Sub genres include The Postman Always Rings Twice Body Heat The Manchurian Candidate The China Syndrome Missing The Passenger Spellbound Obsession Marathon Man and Blue Velvet A final chapter explores areas for further research and offers concluding insights **Political Fiction, the Spirit of the Age,**

and Allen Drury Tom Kemme,1987 The President of the United States says the Constitution cannot act in many specified instances without the advice and consent of Congress But advice is not a strong word And taking or not taking advice is a fairly nebulous situation creating an instability a fundamental ambiguity at the very heart of power between the Congress and the President It is this instability and this wide openness that allows the free play of the more intangible types of power that begin where the constitution breaks off sex personality and character Things which are left out of civics textbooks are what Allen Drury took as his subject in such novels as Advise and Consent A Shade of Difference and Capable of Honor
