**When Evil Rules** Michele R. McPhee, 2009-08-04 The true crime story of a notorious arsonist and murderer who kept a Cape Cod town in fear thanks to crooked cops The Cape Cod beach town of Falmouth seemed like a lovely place to visit But those who lived there year round knew its other darker side Local businessman and infamous bully Melvin Reine had started setting the homes of his so called enemies on fire Few of his victims or even the police ever dared to implicate him Because those who did would pay the price Mysterious events kept creeping up in Falmouth The disappearance of Melvin s wife a dead man found in a cranberry bog a teenager slated to testify against Melvin who boarded a ferry never to be seen again was Melvin somehow responsible Only one police officer John Busby had the guts to press him for answers One day he found himself on the wrong end of a sawed off shotgun but managed to survive the attack This is the shocking true story about what can happen to an all American town when evil rules

**Murder Along the Cape Fear** David T. Morgan, 2005 Murder Along the Cape Fear is the story of Fayetteville and Fort Bragg North Carolina during the twentieth century Seen through the eyes of a native son this is the tale of one a distinguished historian who lived through some of it and heard about much of it from friends and relatives In this hundred year journey the town was profoundly impacted by the establishment of Fort Bragg 10 miles to its west Throughout this hundred year history murder seems to be the scarlet thread that stitched the town into infamy The book demonstrates that Fayetteville was by no means innocent prior to the coming of Fort Bragg Nor did all of the crime and evil emanate from Fort Bragg after 1918 As for murder there was an abundance of killing that had no connection with Fort Bragg but the most sensational murder case of the century involved Jeffrey MacDonald a Green Beret Army captain and physician who received three life terms in federal prison for killing his pregnant wife and two daughters While many other Fort Bragg soldiers were involved with murders along the Cape Fear murders were also committed by transient civilians and local citizens like the famous inventor of the M 1 carbine Marshall Carbine Williams and Velma Barfield who poisoned her mother and three other people In all about two dozen murder cases some highly publicized and some not are woven into this story about a North Carolina town in the twentieth century Engagingly told this book is a wonderful blend of history lore and murder
