**Noisy River: the Saga of Captain Paul Dowlin** Kenneth E. Dowlin,2013-09-05 Ruidoso Spanish for noisy river is the name given to the burbling stream tumbling out of the White Mountains in New Mexico These mountains and much of the plains to the east were inhabited by natives known as the Mescalero who have tribal ties to the Apache It was alongside this busy stream that Paul Dowlin an ancestor of Irish immigrants who migrated to the United States even before the Revolutionary war found his destiny He was born and lived in eastern Pennsylvania for over 30 years His yearning for adventure and advancement led him to make his way across the country in 1859 Soon after his arrival in New Mexico Territory he joined the newly formed New Mexico Volunteers to resist the invasion by the Confederate forces and supporters The fighting in the Civil War in New Mexico was brief but the battles against the native tribes took much longer Dowlin served directly under the command of Kit Carson the commander of the New Mexico Volunteer Army in the Civil War battles and the major campaigns against the Mescalero Navajo and other tribes After separation from the army Dowlin was able to acquire land and build a thriving settlement in what became Lincoln County New Mexico At one time he was one of the largest tax payers in the county and one of the political leaders of the county and the state He was always cordial to all people including the Mescalero the Mexican descendants in the area and the late coming Americans The question is Why was he shot and killed in 1877 He was unarmed and knew his killer Ken Dowlin a descendent of Captain Paul Dowlin has woven facts derived from 4 years of research in libraries museums archives and site visits into family stories that were passed down from generation to generation His education career and lifelong learning has provided him with the necessary skills to produce a historical novel based on facts and family stories

**Captain Paul and the Three Wise Men** Sir Grinsalot,2014-09-24 At risk of losing their lives in a storm at sea a layed back piece of seaweed and an adventurous young flying fish become good friends While in peril they learn the secrets found in the sun moon planets and stars Can this have anything to do with the Three Wise Men seen in displays during the Winter Holidays Meantime based on a true story a very well known actor recently played the role

of a Sea Captain The importance of a ships Master became quite clear in that movie Pirates know that the merchant cargo ships do not carry guns and weapons so they were able to gain control of the huge ship The giant ship that Capt Paul masters is also a target of pirates So what does this have to do with the Three Wise Men Where the three Wise Men pirates What do Capt Paul and the Three Wise Men have in common Just like a ships Master the Three Wise Men knew how to employ the sun moon planets and stars to forcast conditions and recognize coming events Astrologers believe that the sun moon planets and stars determine peoples actions peoples personality and even the course of history Does this mean Capt Paul practiced astrology Were the Three Wise Men astrologers Why is it possible to accurately forecast conditions and recognize coming events using the sun moon planets and the stars Not everyone agrees on why or how it is possible Captain Paul explains the orderly design in the heavenly objects It allowed the Three Wise Men to find the first Christmas That same orderly design allowed ancient mariners to navigate to far away lands The same principals allow modern GPS systems to tell drivers how to get to where they are going Buildings and ships are created in an orderly design by engineers Who designed the orderly system that allowed the ancient mariners to navigate and astrologers to interpret the Zodiak Two new friends discover that whatever created that orderly system is the same Creator who makes sure there is air to breath and food to eat They learn that relying on the creation rather than the Creator can result in devastation The seaweed and flying fish want to tell others that they learned how created things can perish but the Creator can always provide the things we need Read and find out if they ever get that chance

**HAPPY READING** Paul Jones Molly Elliot Seawell,1893 A fictionalized account of the life of the Scottish born naval hero in the American War of Independence who is particularly renowned for his dramatic victory over British ships of war off the east coast of England **John Paul Jones** Joseph F Callo,2009-03-01 Winner of the Samuel Eliot Morrison Award for Excellence in Naval Literature This fresh look at America s first sea warrior avoids both the hero worship of the past and the recent inaccurate deconstructionist views of John Paul Jones s astonishing life The author goes beyond a narrow naval context to establish Jones as a key player in the American Revolution something not done by previous biographers and explains what drove him to his achievements At the same time Admiral Joseph Callo fully examines Jones s dramatic military achievements including his improbable victory off Flamborough Head in the Continental ship Bonhomme Richard but in the context of the times rather than as stand alone events The book also looks at some interesting but lesser known aspects of Jones s naval career including his relationships with such civilian leaders as Benjamin Franklin How Jones handled those often difficult dealings Callo maintains contributed to the nation s concept of civilian control of the military Suggesting that Jones might well be the first U S apostle of sea power the author also focuses on the fact that Jones was the first serving American naval officer who emphasized the role naval power would play in the rise of the United States as a global power Another neglected aspect of Jones s career that gets attention and analysis is his brief tour in the Russian navy a revealing chapter of his life that has been underreported in the two hundred years since Jones s death Rather than looking at Jones in a rearview mirror Callo illuminates how this unique naval hero is linked to the nation s present and future As a result he gives us a sea saga that tells much about our own lives and times **Captain Paul** Alexandre pere Dumas,2020-08-01 Reproduction of the original Captain Paul by Alexandre pere Dumas *Finding Pieces of the Puzzle* Ronald A.
