**History of Kentucky** William Elsey Connelley,Ellis Merton Coulter,1922 The present work is the result of consultation and cooperation Those engaged in its composition have had but one purpose and that was to give to the people of Kentucky a social and political account of their state based on contemporaneous history as nearly as the accomplishment of such an undertaking were possible It has not been the purpose of those who have labored in concert to follow any line of precedent While omitting no important event in the history of the state there has been a decided inclination to rather stress those events that have not hitherto engaged the attention of other writers and historians than to indulge in a mere repetition not that which is common
