Escrito en español e inglés, este libro contiene ocho sesiones sobre los siguientes temas: llamado, oración, alimentación, sanación, comisionamiento, enseñanza, testimonio y donación. NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-05-16 Here John advises us that loving one another is not an option or a suggestion; it is a commandment. John doesn't want any believer to become like Adam and Eve's firstborn, Cain. That happened because Cain was under the influence of Satan. This is therefore a warning not to mess with the world. So what if they hate us? We are bound for everlasting life in the presence of God. That's why death has no power over us. And that's why, if our thoughts do not tell us that we are guilty, we will not be afraid to come to God. We can pray to God and we can ask Him to help us. He will give us what we ask Him for. That is because we obey His commands and we do the things that please Him. Furthermore, we should all love each other because God makes us able to love other people. Everyone who loves other people confirms our claim to be a child of God. If anyone says clearly that Jesus is the Son of God, God lives in that person. And that person lives together with God. We know the kind of love that God has for us. That's why if we love God, we will not be afraid of Him. So how do we know that we love God's children? We know it when we love God and we do what He tells us to do. **The complete Bible commentary for English readers, by various writers, ed. by C.J. Ellicott. The Irrational Jesus Ken Evers-Hood, 2016-11-10 Behavioral science books are popping up on bestseller lists. Predictably Irrational, Thinking Fast and Slow, Nudge, Decisive. Even the White House launched a Behavioral Insights Team to match the British Ministry of Nudges. Conspicuously absent from this conversation is the church. The Irrational Jesus bridges this gap. Ken Evers-Hood looks at Jesus through the lens of cognitive heuristics, mental shortcuts, and biases, blind spots, and makes the case that a fully human Jesus is predictably irrational, just like all of us. Find out how the Apostle Paul's community

building mirrors a prisoner's dilemma game and how this makes Paul an irrational leader too Discover how playing better games in church can foster hopeful flourishing communities Improve your decision making learn when to plan for irrationality and when to live into it The Irrational Jesus addresses these issues and more Integrating the insights of behavioral economists such as Dan Ariely the gameful thinking of Jane McGonigal and cutting edge ideas from decision theory Evers Hood articulates a behavioral theology for fully human pastors of fully human congregations a fresh perspective that will change how pastors and other church leaders see themselves the institutions they serve and the scriptural and theological tradition Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible *Books in Print*, 1994 *When Christ Lives in Us* Justo L.
