Whitaker's Book List, 1991 **The Boat Galley Cookbook: 800 Everyday Recipes and Essential Tips for Cooking Aboard : 800 Everyday Recipes and Essential Tips for Cooking Aboard** Carolyn Shearlock, Jan Irons, 2012-09-14 No matter what anyone tells you boat cooking IS

different from cooking ashore. The space is smaller, there's no grocery store 5 minutes away, you have fewer prepared foods and electric appliances, and food storage is much different. Despite cruising different oceans, we Jan and Carolyn both faced the same challenges: eating well while having time to enjoy all the other great aspects of cruising. We love to snorkel, swim, kayak, explore, and just sit and admire the view. We learned with the cookbooks we both had aboard and wished for information that wasn't available, like when Jan ended up with a frozen chicken, complete with head and feet, and no instructions on how to cut it up. When we couldn't get foods such as sour cream, English muffins, spaghetti sauce, or yogurt, we adapted recipes to make our own. Other times we experimented with substituting ingredients; maybe the result wasn't identical, but it was still tasty. We ended up with over 150 substitutions and dozens of make-it-yourself options. As we traded recipes and knowledge with each other, we realized we were compiling information that became *The Boat Galley Cookbook*: 800 recipes made from readily obtainable ingredients with hand utensils, including numerous choices to suit every taste, not just one cake but 20, 16 ways to prepare fish, 10 regional barbecue sauces, and so on. Step-by-step directions to give even non-cooks the confidence they can turn out tasty meals without prepared foods. Detailed instructions on unfamiliar things like making yogurt and bread, grilling virtually every food imaginable, preparing and cooking freshly caught fish and seafood, cutting up and boning meat, cooking in a Thermos, and baking on the stove top, as well as lots of tips on how to do things more easily in a tiny moving kitchen. All this in an easy-to-navigate format, including side tabs on the Contents to help you find your way and extensive cross-reference lists at the end of each chapter. Quick Reference Lists provide idea starters, suggestions of included recipes for such categories as Mexican, Asian, and Potluck. *The Boat Galley Cookbook* is designed to help you every step of the way. We hope it becomes a trusted reference on your boat and a source of many enjoyable meals.

How to Have Sex in the Woods Luann Colombo, 1999. Sex in the woods is not as simple as it sounds. Sure, you know the basics, after all, if you don't, you probably shouldn't try it in the wilderness, but what about all the little details that should be considered before embarking on an alfresco rendezvous that can make the difference between love under the moon and stars and love on the cold, hard ground? For example, what sex essentials should be part of your first aid kit? What kind of camping equipment provides particular comfort for two? What are the effects of the elements on condoms, spermicides, and other contraceptives? How do you find that perfect spot for your love den? And how about foreplay, personal hygiene, and protection from pesky plants or adverse weather conditions while you're exposed? *How to Have Sex in the Woods* answers these and other questions for the millions of hikers, backpackers, and campers who know that there's more than one way to commune with nature and that a campfire is good for more than just roasting marshmallows. *How to Have Sex in the Woods* is full of useful, factual information covering all the practical how-tos that every amorous camper should know but may have been afraid to ask. It is a must for anyone looking forward to his or her next outing. *deux*
