of the character of Filipinos will hopefully provide learners with a better understanding of the language they are learning. The lessons in Basic Tagalog are intended for a three month period of intensive study followed by another three months of applied oral communication. In six months or about 250 hours it is expected that an average learner should be able to speak, write and understand simple everyday conversational Tagalog as spoken by most Filipinos. Highlights of this book include: Over 2 000 Tagalog words and expressions; 44 lessons organized for efficient language absorption; Extensive exercises and activities to reinforce the lessons; Vocabulary lists serve as comprehensive English Tagalog and Tagalog English dictionaries; Completely updated and expanded with new materials; Includes accompanying MP3 Audio CD. Using Basic Tagalog to study the Tagalog language will further encourage both non Tagalogs and non Filipinos to speak Tagalog better. Only then will they appreciate the individuality of the language that reflects the resilience and flexibility of Filipinos all around the world. In the end such learning will improve daily interactions and communications between non Filipinos and Filipinos whether in business, education, tourism, social or civic endeavors.
