

Basketball

The game of basketball is a team game by getting the ball into the basket which scores the points.

How it started

Basketball was invented in 1891 by Dr James Naismith in the USA. He was a physical education teacher at a college in Springfield, Massachusetts.

How it's played

Two teams of five players each try to score points by shooting the ball into the basket. The team that scores the most points wins the game. A game usually lasts 40 minutes.

The other basketball game is now played all over the world. It is called basketball. It is played by two teams of five players each. The team that scores the most points wins the game.
