**A Small Armageddon** Mordecai Roshwald, 1966      **Armageddon's Arrow** Dayton Ward, 2015-05-26 An all new novel of The Next Generation expanded universe from the New York Times bestselling author It is a new age of exploration and the USS Enterprise is dispatched to the Odyssean Pass a region charted only by unmanned probes and believed to contain numerous inhabited worlds Approaching a star system with two such planets Captain Jean Luc Picard and his crew find a massive alien vessel drifting in interstellar space for decades Sensors detect life aboard the derelict aliens held in suspended animation Thought to be an immense sleeper ship the vessel actually is a weapon capable of destroying entire worlds the final gambit in a war that has raged for generations across the nearby system Captain Picard is now caught in the middle of this conflict and attempts to mediate as both sides want this doomsday weapon which was sent from the future with the sole purpose of ending the interplanetary war before it even began

**Armageddon's Walls** Peter Oldham, 2014-03-31 The British Army and her commonwealth Allies went to war in 1914 with little knowledge and experience of constructing permanent shell proof protective structures Some masonry fortifications such as defensive blockhouses in South Africa had been built but the Royal Engineers of the Army were more versed in simple temporary defences suitable for mobile warfare Home defences were a limited number of forts around naval ports and Martello Towers on the east coast It was considered that the Navy was quite able to defend Britain's coasts The Germans on the other hand as with the other continental countries such as France Belgium Italy Holland Poland Austria etc had been constantly renewing and updating border forts for several centuries They had also maintained fortification and siege elements of their armies who were experienced in designing and constructing strong shelters Both German and French armies began the war with a degree of expertise in what was to become a static war with little movement However by 1918 the British were to surpass both enemy and her allies in the design and construction with supply and logistics of such shell proof cover for troops and defensive positions This book gives the history of development and innovation of concrete bunkers pill boxes blockhouses and general concrete constructions during the First World War Many of these structures some showing obvious signs of war damage still exist in France and Belgium today All the existing structures with photograph except for some which are impractical because of dense vegetation are shown within Many entries have contemporary maps showing how they fitted into a defensive system whilst for others the location can be identified from the text GPS coordinates are given for each entry except for a few which are on private land and where privacy has been requested

**ARMAGEDDON's SONG 1 'STAND - TO'** ANDY FARMAN, 2014-07-03 Volume 1 of a 5 Volume story the best selling Armageddon's Song series now with map illustrations Did the Cold War really end No matter it is about to get hot anyway Espionage subterfuge corruption in high places and a nuclear plot are uncovered by a beautiful spy more used to shedding her clothes to discover secrets than she is of keeping them Will duty bind her to silence or will conscience win her over Stand To is the first book in the Armageddon's Song series and it

puts you in the seat of a Sea Harrier dog fighting over the Pacific in the control room of a submarine during a torpedo attack in the Atlantic looking down the sights of a sniper rifle on the north German Plain and at the side of a Russian paratrooper General who leads from the front Encompassing not just a story from a US point of view but also through the eyes and deeds of the other combatants on both sides of the conflict *ARMAGEDDON'S SONG 6 ' SHAW - LT: USMC ' Andy*

Farman,2016-04-13 The first of two prequels featuring Henry Shaw USMC Terry Jones CIA and Peter Dawnosh Royal Marine Commandos In the WW3 series Henry was Chairman of the Joint Chiefs Terry was Director of the CIA and Peter Dawnosh was Prime Minister of Great Britain but in 1963 they are in a place that few American s had ever heard of Vietnam The country is under attack from the communist North but within its borders it is a cauldron of dissent due to corruption and religious persecution With surplus equipment and a shoe string budget US advisors are attempting to train and equip the South Vietnamese armed forces to defend themselves in order that the USA can withdraw Small unit actions firefights on jungle trails and The Almo re enacted on a lonely hilltop far from home These are combined with a tale of political corruption and the murky world of espionage in 1960s SE Asia *ARMAGEDDON's SONG 'CROSSING THE RUBICON' ANDY*

FARMAN,2015-02-10 The European war is a long way from the fighting that is consuming the Pacific The ANZACs and the US 5TH Mechanised Division are too few in number to defend Australia s coastline Fear of China s nuclear arsenal has left the allies with limited friends and there is trouble at home in the West Now that war in Europe has reached its bloody end and the men came home to less than gratitude from the politicians In the Pacific all eyes are on the Spratly Islands as the Allies combat the Chinese 3rd and 6th Armies The aftermath in Europe may have left the US and the ANZACs standing alone or has it Soldiers have more honour than politicians at the end of the day A reckoning is coming **ARMAGEDDON's**

**SONG 2 'ADVANCE TO CONTACT'** Andy Farman,2015-02-08 Volume 2 of a 4 part series that goes further than even Tom Clancy s classic in a tale of truly global world war Washington DC Taipei NATO s North Cape naval picket and two carrier combat groups have been destroyed by nuclear weapons NATO is on the back foot and her potential allies are thinning out as China shows no hesitation in levelling entire cities Major Bedonavich and Svetlana Vorsoff are our spies with a conscience and now they are in from the cold but someone will go to any lengths to exact revenge Perhaps baiting the Bear in his lair is their only hope of survival The NATO army in Europe with the battered but defiant Coldstream Guards and US 82nd are holding the line Vital supplies are enroute from America but the determination of those in the convoys and escorts is matched by those charged with sinking them NATO needs to level the playing field and then tilt it in their favour *National*
