A Suitable Father:

Being a Good Husband and Father Lexington Nyama,2017-12-08 This is an educational book for those who are in a relationship whether they are married or not As long as they are in a relationship they need to know about these things also it is not only for men but also for females because some women have no idea what to expect from their man This will help them find a basic foundation of what to expect from their man as this also helps man to know what to do for their woman If relationships are not solved and if people are not educated about relationships this world will never be at peace because it is all because of relationships We have all these problems we are facing nowadays as the worlds problem started with two people who were in a relationship which was written in the Bible If they both knew what their responsibilities were in their relationship the woman would have not gone and searched for food while the man was home sitting I believe that if couples could know what they are supposed to do and what they are not supposed to do in relationship we will make the world a better place to live

Am I a Good Father? Al Pizarro,2021-03-08 This book was written during one of my storms issues problems whatever you want to call it We go through so many things in life that we have learned to just label things It makes it kind of easier to deal with Am I a Good Father is always the question we ask ourselves Can I do better Have I done the best I can Do I need to do more

How to Be a Good Dad Bethany Bridges,2015-04-20 The role of a father in a child s life is equally as important as a mother s and the specific ability to raise his children well is what qualifies him to have the title Dad With a strong loving and supportive presence of a father children grow up to be more secure confident independent and successful Furthermore they will be able to become good parents to their own children one day This book brings you useful advice from other men who have walked the same path from mothers who have observed father child relationships and from children who have experienced what it feels like to have a loving supportive relationship with their dads Every man who becomes a father gets to go on a special journey As soon as a baby is conceived every father faces duties and responsibilities that he will have to work to fulfill This book is a comprehensive guide to help fathers accept the responsibilities that come with fatherhood The simple steps and advice in this book will help to make you feel less overwhelmed and instead more prepared
