A Theology Of Failure:

A Theology of Failure Marika Rose, 2019-05-07 Everyone agrees that theology has failed but the question of how to understand and respond to this failure is complex and contested Against both the radical orthodox attempt to return to a time before the theology's failure and the deconstructive theological attempt to open theology up to the hope of a future beyond failure Rose proposes an account of Christian identity as constituted by not despite failure Understanding failure as central to theology opens up new possibilities for confronting Christianity's violent and kyriarchal history and abandoning the attempt to discover a pure Christ outside of the grotesque materiality of the church The Christian mystical tradition begins with Dionysius the Areopagite's uncomfortable but productive conjunction of Christian theology and Neoplatonism The tensions generated by this are central to Dionysius's legacy visible not only in subsequent theological thought but also in much twentieth century continental philosophy as it seeks to disentangle itself from its Christian ancestry *A Theology of Failure* shows how the work of Slavoj Žižek represents an attempt to repeat the original move of Christian mystical theology bringing together the themes of language desire and transcendence not with Neoplatonism but with a materialist account of the world Tracing these themes through the work of Dionysius and Derrida and through contemporary debates about the gift violence and revolution this book offers a critical theological engagement with Žižek's account of social and political transformation showing how Žižek's work makes possible a materialist reading of apophatic theology and Christian identity

A Theology of Failure John J. Navone, 1974-01-01 *Theologies of Failure* Robert Sirvent, Duncan B. Reyburn, 2020-01-01 What does failure mean for theology In the Bible we find some unsettling answers to this question We find lastness usurping firstness and foolishness undoing wisdom We discover too a weakness more potent than strength and a loss of life that is essential to finding life Jesus himself offers an array of paradoxes and puzzles through his life and teachings He even submits himself to humiliation and death to show the cosmos the true meaning of victory As David Bentley Hart observes most of us would find Christians truly cast in the New Testament mold fairly obnoxious civically reprobate ideologically unsound economically destructive politically irresponsible socially discreditable and really just a bit indecent By incorporating the work of scholars working with a range of frameworks within the Christian tradition *Theologies of Failure* aims to offer a unique and important contribution on understanding and embracing failure as a pivotal theological category As the various contributors highlight it is a category with a powerful capacity for illuminating our theological concerns and perspectives It is a category that frees us to see old ideas in a brand new light and helps to foster an awareness of ideas that certain modes of analysis may have obscured from our vision In short this book invites readers to consider how both theology and failure can help us ask new questions discover new possibilities and refuse the ways of the world *A Theology of Failure* John Navone (s.j.), 1974 **Triumph Through Failure** John J. Navone SJ, 2014-11-10 We confront failure in all levels of our humanity There is failure in the use of the gifts of the earth the unlimited exercise of intelligence the enjoyment of

freedom and in the acceptance of the call of an infinite God The failure to achieve fulfillment at any one of these levels may contribute to a particular frustration that may destroy the wholesome harmony necessary for happiness In a period of utopian ideologies and theologies this book may serve as a reminder that we do fail and that our faith does not promise that we shall not fail Yet precisely because we experience failures we find cause for hope and deliverance outside ourselves This is the theology of the cross triumph through failure *A Theology of Failure* Christa Marika Rose,2014 **Sborník prací Filosofické fakulty Brněnské university**,1976 *Four Stages of Greek Religion* Gilbert Murray,1912 *The American Journal of Theology* University of Chicago.
