The A to Z of Catholicism William J. Collinge, 2001-09-07 With more than a billion faithful Catholicism is the world's premier religion It is yet more significant as its impact reaches around the world However like most religions it is not always easy to fathom not even for initiates This book is a fine summary of the beliefs rites events movements memorable popes saints and other key persons in Catholic history A lively introduction summarizes Church history from the time of Christ through the various schismatic movements to present day Catholicism in the U S The A to Z entries also focus on theology and doctrine providing balanced coverage of controversies An excellent student resource user friendly and the ideal starting place for research assignments All Things Catholic Shaun A McAfee, 2024-05-21 Shaun McAfee has put together a great and easy resource for learning more about the Catholic Faith Whether you have been Catholic your whole life or are simply curious about joining this book is one to have on your shelf and read Archbishop Gregory Aymond Archdiocese of New Orleans One can spend hours searching for answers about the Catholic Faith and how to share it with others There are a multitude of books that explain the various areas of Church teaching but never before now a definitive desktop volume on more than 260 Catholic topics from A to Z featuring key definitions teachings practices people and resources for further reading This fascinating one stop guidebook delivers the intellectual tradition of the Church while providing practical Catholic applications spiritual wisdom and guidance on a broad range of topics from the basics of the Faith to more current issues such as transgenderism and yoga These pages put timely and timeless information at your fingertips whether you're seeking information about a specific teaching wondering about the Church's stance on a social topic or looking for inspiration to evangelize someone to the Faith You will discover Catholic rules to live by from Scripture Tradition and the Catechism Answers to common questions about what Catholics really believe Refreshers on Catholic doctrine from the sacraments to moral theology Ways to defend important Catholic teachings in daily life Traditional prayers and important lists to remember This is an ideal resource for Catholic school students catechists RCIA catechumens and anyone seeking to understand and discuss Catholicism intelligently It will be a frequently used lifelong resource that will draw you in for longer reads than you expect When I saw this book's title I presumed Shaun McAfee had produced an updated version of a classic Catholic dictionary such as those by Donald Attwater Fr John Hardon and Fr Peter M J Stravinskis Not so McAfee's offering makes no attempt as the others did to be comprehensive It aims to be captivating and it is It's an eclectic idiosyncratic and delightful compendium of definitions and explanations with many topics not found in any other Catholic dictionary Karl Keating
