African Myths Of Origin Penguin Classics:

African Myths of Origin Stephen Belcher, 2005-12-01 Gathering a wide range of traditional African myths this compelling new collection offers tales of heroes battling mighty serpents and monstrous birds brutal family conflict and vengeance and desperate migrations across vast and alien lands From impassioned descriptions of animal creators to dramatic stories of communities forced to flee monstrous crocodiles all the narratives found here concern origins whether of the universe peoples or families Together they create a kaleidoscopic picture of the rich and varied oral traditions that have shaped the culture and society of successive generations of Africans for thousands of years throughout the long struggle to survive and explore this massive and environmentally diverse continent *African Mythology, A to Z* Patricia Ann Lynch, Jeremy Roberts, 2010 The African continent is home to a fascinating and strong tradition of myth due in part to the long history of human habitation in Africa the diversity of its geography flora and fauna and the variety of its cultural beliefs *African Mythology A to Z* is a readable reference to the deities places events animals beliefs and other subjects that appear in the myths of various African peoples For the first time this edition features full color photographs and illustrations Coverage includes **African Myths and Beliefs** Tony Allan, Fergus Fleming, Charles Phillips, 2011-12-15 Examines the myths and beliefs of Sub Saharan Africa *Decolonising Childhoods in Eastern Africa* Oduor Obura, 2021-06-13 This book deconstructs Eurocentric narratives and showcases local voices to re examine childhood in Eastern Africa Moving away from portrayals of eastern African childhood as characterised by want the author argues for a differentiated and pluralist nature of the eastern African childhood Taking a chronological approach the author provides a multidisciplinary critical reading of Africanist research on childhood in eastern Africa drawing from anthropological and cultural studies while examining writings from the pre imperial and colonial periods Moving into the contemporary period the book reveals the continuity tensions and ruptures of these portrayals in humanitarian legal and journalistic discourses before exploring postcolonial writings on childhood in works by Eastern African novelists Based on such a multidisciplinary perspective this book will be of interest to scholars of African literature eastern African history critical childhood studies museums and Africanist epistemologies **African Research & Documentation** , 2006 **African Studies Review** , 2006 **Libation** Kimani S. K. Nehusi, 2015-12-28 This book concerns the origins structure purpose meaning and significance of libation developments and change within the ritual and its distribution in the Afrikan world Libation is a liquid offering by and on behalf of all humanity those living and those yet to be born to ancestors to the Creator to other divinities and to the environment Through this ritual Afrikans affirm and re establish Ma at cosmic harmony balance interconnection and interdependence within between and among humans the environment the spirit world and the Creator The text connects the practice of libation throughout the prodigious time space correlation occupied by the Afrikan experience of life connects Afrikans to their social history and so to themselves across generations in different spaces and times The methodology is at once both multi disciplinary and inter disciplinary The

methods and techniques of history linguistics cultural studies literature and other human sciences are deployed to develop a comprehensive reconstruction description and analysis of a ritual that has been antique for millennia but has never become antiquated
