Mystical Dogs Jean Houston,2011-02-16 For many years I have been a student of spirituality and states of consciousness For many more years than that I've been a student of dogs says bestselling author Jean Houston whose study of this subject is the basis of *Mystical Dogs* Houston has spent a lifetime bridging the worlds of animals and humans exploring a realm that pet owners have glimpsed and indigenous peoples have known for millennia The author identifies dogs with their deceptively uncomplicated joyous loving nature as custodes animi guardians of our souls She shows how animals particularly dogs are often the best spiritual teachers For example in Houston's hands a seemingly simple story such as a man saying goodbye to his beloved dog becomes a striking metaphor about personal and planetary transformation **The Candidates** Matthew S. Hiley,2016-05-10 Warning *The Candidates* Based on a True Country is not for the faint of heart It is a political satire of epic disproportion The story centers on Skip LaDouche and Harry Pinko the two front runners campaigning for the presidency of the United States who have managed to claw bribe and scam their way up the political ladder They are what we've come to expect from our leaders self-serving and unqualified When Kimmy Faimwhorre the reality television star that they are both having an affair with turns up murdered the candidates take campaigning to its most primal form complete and total destruction of the opposition Nothing is sacred in this violently comic short novel from Matthew S Hiley His wit is sharp and quick and this story is dark cynical and hilarious Politics as usual and pop culture are thoroughly skewered in one of the most absurd and entertaining stories ever told The Problem with Relativity John Sokol,2006 **The Comics Journal** ,1993
