The Last Lion: Volume 1 William Manchester, 2012-11-06 The first volume in William Manchester's masterful magnum opus account of Winston Churchill's life The Last Lion Visions of Glory follows the first fifty eight years of Churchill's life the years that mold him into the man who will become one of the most influential politicians of the twentieth century In this the first volume Manchester follows Churchill from his birth to 1932 when he began to warn against the re militarization of Germany Born of an American mother and the gifted but unstable son of a duke his childhood was one of wretched neglect He sought glory on the battlefields of Cuba Sudan India South Africa and the trenches of France In Parliament he was the prime force behind the creation of Iraq and Jordan laid the groundwork for the birth of Israel and negotiated the independence of the Irish Free State Yet as Chancellor of the Exchequer he plunged England into economic crisis and his fruitless attempt to suppress Gandhi's quest for Indian independence brought political chaos to Britain Throughout Churchill learned the lessons that would prepare him for the storm to come and as the 1930s began he readied himself for the coming battle against Nazism an evil the world had never before seen

The Last Lion: Winston Spencer Churchill: Visions of Glory, 1874-1932 William Manchester, 1984-04-01 NEW YORK TIMES BESTSELLER An altogether absorbing popular biography The heroic Churchill is in these pages but so is the little boy writing forlorn letters to the father who all but ignored him People When Winston Churchill was born in Blenheim Palace in 1874 Imperial Britain stood at the splendid pinnacle of her power Yet within a few years the Empire would hover on the brink of catastrophe Against this backdrop a remarkable man began to build his legacy From master biographer William Manchester The Last Lion Visions of Glory reveals the first fifty eight years of the life of an adventurer aristocrat soldier and statesman whose courageous leadership guided the destiny of his darkly troubled times and who is remembered as one of the greatest figures of the twentieth century Praise for The Last Lion Visions of Glory Absolutely magnificent a delight to read one of those books you devour line by line and word by word and finally hate to see end Russell Baker Bedazzling Newsweek Manchester has read further thought harder and told with considerable verve what is mesmerizing in Churchill's drama One cannot do better than this book The Philadelphia Inquirer Superb Manchester pulls together the multitudinous facets of one of the richest lives ever to be chronicled Churchill and Manchester were clearly made for each other Chicago Tribune A vivid thoroughly detailed biography of the Winston Churchill nobody knows Boston Herald Adds a grand dimension rich in historical and social contexts Time

The Last Lion Box Set Paul Reid, William Manchester, 2012-11-20 Universally acclaimed for their compelling narrative their fresh insights and their objective renderings of Winston Churchill's life The Last Lion trilogy presents a revelatory and unparalleled portrait of this brilliant flawed and dynamic adventurer aristocrat soldier and statesman Born at the end of the 19th century when Imperial Britain still stood at the splendid pinnacle of her power Churchill would witness the shift a few years later as the Empire hovered on the brink of a catastrophic new era One of the greatest wartime leaders of our time he would go on to

stand alone politically isolated in Parliament as he took the lead in warning of the growing Nazi threat and would lead Britain to victory against Nazi Germany and the Axis powers in World War II Now celebrated historian William Manchester's landmark biographies are collected together for the first time along with the eagerly anticipated final installment Churchill's last years in power More than thirty years in the making *The Last Lion* is the definitive work on this remarkable man whose courageous vision guided the destiny of a nation during darkly troubled times and who looms as one of the greatest figures of our century
