

# PROTECTING YOURSELF AGAINST IDENTITY THEFT

## Be Vigilant

- Check your credit report at least once a year for errors
- Periodically review your bank and debit/credit card accounts for suspicious charges/activity

## Consider a Fraud Alert or Credit Freeze If Necessary

- A fraud alert requires creditors to take extra steps to verify your identity before extending any existing credit or issuing new credit in your name
- A credit freeze prevents new credit and accounts from being opened in your name

## Stay One Step Ahead

- Maintain strong passwords or consider using a password manager
- Consider using two-step authentication when available
- Minimize information sharing and be wary of requests for personal information, whether received in an email, letter, or phone call
- Beware of scam websites and only use secure connections when shopping online

## **Against Identity:**

Against Identity Alexander Douglas, 2025-05-08 Modern life encourages us to pursue the perfect identity Whether we aspire to become the best lawyer or charity worker life partner or celebrity influencer we emulate exemplars that exist in the world hoping it will bring us happiness But this often leads to a complex game of envy and pride We achieve these identities but want others to imitate us We disagree with those whose identities contradict ours leading to polarisation and even violence And yet when they thump against us we are ashamed to ring hollow In Against Identity philosopher Alexander Douglas seeks an alternative wisdom Searching the work of three thinkers ancient Chinese philosopher Zhuangzi Dutch Enlightenment thinker Benedict de Spinoza and 20th Century French theorist Ren Girard he explores how identity can be a spiritual violence that leads us away from truth Through their worlds and radically different cultures we discover how at moments of historical rupture our hunger for being grows and yet it is exactly these times when we should make peace with our indeterminacy and discover the freedom of escaping our selves
