Cimino,1997 *Against the Stream* examines the phenomenon of young adult conversion and return to traditional Christian religiosity The book is based on 50 case studies of young adults who have converted or returned to three tradition based faiths conservative and traditionalist Roman Catholicism the conservative Reformed or Calvinist tradition and Eastern Orthodoxy The book provides an account of these young adults beliefs as well as how they relate their faith to everyday life and social issues and illuminates the challenges of adhering to religious traditions in a society shaped by pluralism and religious consumerism These young adults are going against the stream by refusing to take a pick and choose approach to religious beliefs Choice plays a major role in how these young adults adopt and adapt these faiths to their lives Such selective retrievals of tradition for these young adults provide benefits and solutions for the ills and dislocations created by modernity such as the fragmentation secularism and politicization of society Co published with Religion Watch *Against the Stream* Anonymous,2025-08-29 Reprint of the original first published in 1873 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Against the Stream** Elizabeth Rundle Charles,1873 **A Walk Against The Stream** Tony Ballinger,2015-03-19 The experiences of a young soldier on the frontlines of the Rhodesian Bush War are vividly recounted in this personal memoir In *A Walk Against the Stream* Tony Ballinger tells of his eighteen months of compulsory service as a young national service officer in the Rhodesian army Stationed in Victoria Falls Rhodesia he faced down enemy territory just across the Zambezi river in Zambia Initially allocated to 4th platoon 4 Independent company Rhodesia Regiment RR as a subaltern and later on as a 1st Lieutenant in support company 2RR the story starts with the author s training and deployment The events that unfold contain interesting military encounters including battles against the Zambian army and revolutionary guerillas But Ballinger also explores the human side of his time in the service his love of a country falling apart the relationship he forms with a local woman and how their love hope and dreams are snatched away by unfolding events This is a riveting personal tale interspersed with dozens of the author s personal photographs *Phraseology* Sylviane Granger,Fanny Meunier,2008 Long

regarded as a peripheral issue phraseology is now taking centre stage in a wide range of fields This recent explosion of interest undoubtedly has a great deal to do with the development of corpus linguistics research which has both demonstrated the key role of phraseological expressions in language and provided researchers with automated methods of extraction and analysis The aim of this volume is to take stock of current research in phraseology from a variety of perspectives theoretical descriptive contrastive cultural lexicographic and computational It contains overview chapters by leading experts in the field and a series of case studies focusing on a wide range of multiword units collocations similes idioms routine formulae and recurrent phrases The volume is an invitation for experienced phraseologists to look at the field with different eyes and a useful introduction for the many researchers who are intrigued by phraseology but need help in finding their way in this rich but complex domain
