Cruising In A Seraffyn:

Cruising in Seraffyn Lin Pardey, Larry Pardey, 1992-01-25 The cruising tale is full of the sights and sounds the fragrances and native customs of foreign lands especially Central American and the Caribbean It is a story of a leisurely sail through the Gulf of Cortez and on through Panama Canal to the Azores and England Cruising in Seraffyn is also a carefully thought out guide to living aboard a small boat with fun and economy as the guide principles Four appendices provide data that is vital for anyone contemplating long distance cruising [Cruising in Seraffyn](#) Lin Pardey, Larry Pardey, 1986 [Seraffyn's European Adventure](#) Lin and Larry Pardey, 1998 This second book in the Seraffyn cruising series begins with their arrival on the southwest coast of England where they coasted eastward stopping where fancy held them where good friends were made to winter at Poole and work to pay for the next leg of their voyage toward the Baltic Denmark Sweden Finland were full of welcoming and interesting people and an almost invisible bureaucracy But things were definitely different when they reached Poland were armed guards watched while the people greeted them with flowers fruits and sweets Their foray behind the Iron Curtain of the 1970s introduced them to some of the people who lead the Solidarity Movement the force that eventually toppled the Soviet Union You'll be right on board as they weather a fierce mast under broach in a Baltic gale and through the wintery North Seas Here is a feast for the fantasies of stay at homes and a warm account of just two years of the lives of two people who have lived in a wide adventurous world for more than four decades Their motto Go Small Go Simple Go Now has encouraged thousands of other sailors to take the plunge And this book is an entertaining instruction manual on how to live a rich life on very little money Lin Pardey has in her deceptively simple and fresh faced style told the story of an unusual and appealing marriage partnership a special way of life Yachtsmen will enjoy the technical description of the problems of maneuvering in the tight harbours and unmapped channels the perils of heavy seas in a small boat But what is remarkable is that she can draw a nonsailor into these special subjects and make them as comprehensible and absorbing to a landlubber as they would be to someone about to set out on the same itinerary in a small boat of his own R Sokolov New York Times Book Review [Cruising in Seraffyn](#) Lin Pardey, Larry Pardey, 2019-03 Let Cruising in Seraffyn introduce you to a special world The first of a four book series it is full of the sights sounds and people of Mexico Central America the Caribbean and the islands of the Atlantic Ocean Read how Lin and Larry built their wooden 24 foot engineless cutter and set off hoping for a few months of true freedom in spite of limited finances Share their excitement as they learn how to earn as they go and sail ever further afield These two persuasive sailor writers set out convincing arguments to get you chasing your dream sooner than you think be it exploring the world under sail or adventuring towards any new goal A favorite of sailors and armchair sailors for over four decades this book is more than a first rate tale and love story it is also a carefully thought out guide to living aboard a small boat with fun and good seamanship as guiding principles This tribute edition created by Lin to honor Larry includes a new foreword updated appendices and a color insert showing Seraffyn during her circumnavigation and
