Frew** Albert Barnes,1884 **The Cry of the Spirit** Steven Akinjiyan,2007-03-01 As the name implies so it is There are many books that propagate the voices of men and give the ideas of men but there are few that echo the voice of the Holy Spirit It is this manner of book we have in *The Cry of the Spirit* the one that echoes the voice of the Holy Spirit It is not naysay to have titled this book as the cry of the Spirit The Spirit is indeed crying at this wee hour of this falling generation As a matter of fact this very book you are about to read is the breath of the Holy Spirit released for the consumption of this generation I therefore recommend this very book for everyone to know what the Spirit cries about today
