Mackey, M.d., 2014-03-20 Published in 1897 this volume contains a Masonic manual of the council and instructions on the degrees of Select Master Royal Master Super Excellent Master and Ceremonies of the Order      **Cryptic Masonry** Albert Gallatin Mackey, 2016-10-04 Excerpt from Cryptic Masonry A Manual of the Council or Monitorial Instructions in the Degrees of Royal and Select Master With an Additional Section on the Super Excellent Master s Degree The American Rite the name now very generally conceded to that series of degrees which are conferred in this country is a modification of the English or Ancient York Rite and consists by the universal consent of all Masonic ritualists for more than half a century of nine degrees commencing with the Entered Apprentice and terminating with the Select Master To this series I desire to confine the Rite and have no wish as I have no authority to extend it beyond the original number The degree of super excellent Master I therefore reject from the Rite not because it is the recent invention of some prolific brain for it is at least as old as some of the acknowledged degrees of the Rite such for instance as that of Most Excellent Mas ter but because neither Webb nor Cole nor Cross nor any other more recent Masonic ritualist has recognized it as constituting any part of the Rite It has on the contrary until very recently been always conferred as an honorary or detached degree and as such it should be considered About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
