

AN EASY-TO-READ, NO-NONSENSE EXAMINATION OF THE EVIDENCE FOR CHRISTIAN BELIEF

CHRISTIANITY FOR SKEPTICS

DOES GOD EXIST?
IF THERE IS A GOD, WHY DO BAD THINGS HAPPEN?
IS ATHEISM RATIONAL?
IS JESUS GOD?
IS THE BIBLE GOD'S WORD?
WHAT ABOUT OTHER RELIGIONS?

A Skeptics Christianity

James L. Kelley

A Skeptics Christianity:

The Problem of God Mark Clark,2017-08-22 The Problem of God explores answers to the most difficult questions raised against Christianity A skeptic who became a Christian and then a pastor author Mark Clark grew up in an atheistic home After his father s death he began a skeptical search for truth through the fields of science philosophy and history eventually finding answers in the last place he expected Christianity In a winsome persuasive and humble voice The Problem of God responds to the top ten interrogations people bring against God and Christianity including Does God even exist in the first place What do we do with Christianity s violent history Is Jesus just another myth Can the Bible be trusted Why should we believe in Hell anymore today Each chapter answers the specific challenge using a mix of theology philosophy and science Filled with compelling stories and anecdotes The Problem of God presents an organized and easy to understand range of apologetics focused on both convincing the skeptic and informing the Christian The book concluding with Christianity s most audacious assertion how should we respond to Jesus claim that he is God and the only way to salvation *I Am a Christian, This Is Why* Kinite McCrae,2018-12-16 *Christianity Considered* John M. Frame,2018-05-16 Christianity is more than a religion it is also a complex intellectual tradition Christians and non Christians who want to understand the world as it is today have to understand Christianity too Christianity makes objective claims but also presents a new way of thinking about the world In *A Guide to Christianity for Skeptics and Seekers* renowned theologian Dr John Frame introduces the reader to the Christian religion and its unique intellectual framework describing the key pillars of Christian thought and how these shape the Christian worldview Covering a range of topics from the resurrection to the Christian posture toward politics *A Guide to Christianity for Skeptics and Seekers* is a valuable guide to understanding the Christian faith as an intellectual tradition Useful for both the Christian reader looking for a better understanding of the faith and the skeptical reader who seeks to understand the intellectual tradition that has done much to shape the modern world **The Reason for God** Timothy Keller,2008-02-14 A New York Times bestseller people can believe in by a pioneer of the new urban Christians *Christianity Today* and the C S Lewis for the 21st century Newsweek Timothy Keller the founding pastor of Redeemer Presbyterian Church in New York City addresses the frequent doubts that skeptics and even ardent believers have about religion Using literature philosophy real life conversations and potent reasoning Keller explains how the belief in a Christian God is in fact a sound and rational one To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism And to skeptics atheists and agnostics he provides a challenging argument for pursuing the reason for God **Christianity for Skeptics** Steve Kumar,2005-01-01 Looking for the perfect book to place in the hands of a skeptical friend or co worker Wishing you had answers to tough questions people are raising about the viability of Christianity *Christianity For Skeptics* attempts to provide a basis for belief by enlisting scholars both Christian and non Christian who have come to the conclusion that there is a strong argument and basis for belief in God and

in Christianity Dr Kumar responds to questions often asked by skeptics such as Does God exist If there is a God why is there evil Is atheism rational Is the Bible the word of God *Answers for the Honest Skeptic* Ted Even,2021-07-01 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serve to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing **Skeptics Vs. Scripture Book I** David Kidd,2018-06-29 *Skeptics vs Scripture Book 1* is a guided tour through a maze of questions that challenge Christian beliefs In each chapter a skeptic is permitted to make his case against God Christianity and the Bible in his own words giving readers an inside view of an atheist s perspective Author David Kidd applies sound biblical interpretation rational arguments and compelling real life examples to expose skeptic errors and demonstrate the accuracy and reliability of the Bible This book turns the tables on unbelief by using logic and reason to explain foundational Christian truths in everyday language

Making Sense of God Timothy Keller,2016-09-20 We live in an age of skepticism Our society places such faith in empirical reason historical progress and heartfelt emotion that it s easy to wonder Why should anyone believe in Christianity What role can faith and religion play in our modern lives In this thoughtful and inspiring new book pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever As human beings we cannot live without meaning satisfaction freedom identity justice and hope Christianity provides us with unsurpassed resources to meet these needs Written for both the ardent believer and the skeptic *Making Sense of God* shines a light on the profound value and importance of Christianity in our lives **Christianity for Skeptics** Steve Kumar,2000 Looking for the perfect book to place in the hands of a skeptical friend or co worker Wishing you had answers to tough questions people are raising about the viability of Christianity *Christianity For Skeptics* attempts to provide a basis for belief by enlisting scholars both Christian and non Christian who have come to the conclusion that there is a strong argument and basis for belief in God and in Christianity Dr Kumar responds to questions often asked by skeptics such as Does God exist If there is a God why is there evil Is atheism rational Is the Bible the word of God **A Faith for Skeptics** John H. Heidt,2005

Setting Yourself Free to Believe We do not live in an age of disbelief but in an age of doubt After many years in the parish ministry John H Heidt has found that few people do not have some kind of belief in God But a great many people inside and outside the church are uneasy about believing too much or too strongly They take all sorts of other things in life for granted but when it comes to religion they are skeptics This book is written for all those who would like to believe in something definite but are afraid to do so It does not try to argue anyone into belief but sets out to convince the reader that it is all right to believe and specifically to believe in the traditional teachings of Christianity

How Do We Talk with Skeptics? (Questions for Restless Minds) Sam Chan, 2021-10-06 You want your non believing friends to be brothers and sisters in Christ But how do you talk about Jesus without driving them away In *How Do We Talk with Skeptics* Sam Chan shows you how to walk the tightrope by offering ten wise tips to keep the balance right Listen well Speak persuasively Learn hospitality Gently reveal the holes in your friend's worldview Gain wisdom on when to speak and when to listen With Chan's help you can keep your friends while being a faithful witness for Christ

Skeptic in the House of God James L. Kelley, 1997 James L. Kelley a skeptic about religion writes with insight and humor of his life as a member of St Mark's an Episcopal church that welcomes doubters without pressuring them to compromise their intellectual integrity When Kelley first visited the church he was well into his forties and searching for a respite from urban malaise At the same time he found himself filled with disquieting questions How could he reconcile his convictions with the central purpose of the church to worship a God he didn't believe in Could he say the prayers and sing the hymns while remaining an honest skeptic After fifteen years of full participation in a church that is open not only to skeptics but also to gay men and lesbians blacks and Jews where members are invited to critique Sunday sermons and where hymns are rewritten to reflect feminist concerns Kelley found that his agnosticism remained but his skepticism about church participation had disappeared Modern urban life can be a sterile isolating experience yet in St Mark's Kelley discovered a place of vibrant community honest inquiry and support over the hard places in life

10 Answers for Skeptics Alex McFarland, 2011-10-01 In *10 Answers for Skeptics* McFarland identifies the 10 most common types of skepticism that plague doubters' minds and offers believers proven strategies for connecting intellectually and spiritually with those who are skeptical about the claims of Christianity Today's skeptics are looking for authenticity integrity and straightforward truth Readers will learn how to answer intimidating questions identify the root issue behind those questions and dismantle the spiritual bombshells dropped by atheists Plus they'll find encouragement to face hostility by persevering in love the ultimate apologetic Christians can offer as witness to our loving God

A Skeptic's Guide to Faith Philip Yancey, 2009 For those on the borderlands of belief Philip Yancey confronts questions of faith and religion head on If this is God's world why doesn't it look more like it For anyone who's ever wondered if the visible world is all there is for anyone who feels like an empirical understanding of reality is missing something bestselling author and fellow pilgrim Philip Yancey comes beside you to explore this tug between the visible and the invisible

In the gentle understanding voice of one who's been through skepticism Yancey investigates questions like What is the good life Do my deepest experiences of beauty and pain have meaning Is there life after death If God does exist why does this world seem to be coming apart at the seams Does faith make any difference in my daily life A Skeptic's Guide to Faith previously titled Rumors of Another World reads like a conversation inviting those skeptical of religion and turned off by the church to consider the possibility of an unseen world coexisting with our visible world According to Yancey A thin membrane of belief separates the natural from the supernatural What makes it so hard for some of us to cross that membrane Look inside to find out In this powerful read Yancey tackles the tough questions and in the process comes up with a fresh new approach to this timeless topic

[40 Days of Doubt](#) Eric Huffman, 2018-12-04 Faith is permitting ourselves to be seized by the things we do not see Martin Luther Do you ever wonder whether you're really a Christian and cling to what's left of your faith when you feel like an outsider even among other believers Have you ever doubted your faith Have you ever deep down in your heart doubted that God was really present in your life Or wondered whether everything you believed in as a Christian was false Call it existential doubt Call it the dark night of the soul as one Christian saint famously did Whatever you call it it's real It is personal it is painful it is distressing and it can last for years maybe even a lifetime But you are not alone 40 Days of Doubt Devotions for the Skeptic is for all those sports talk listening eye rolling Game of Thrones loving abnormal believers out there If you've ever felt that your mind and soul were fighting you'll find solace in these awe and wonder filled reflections by pastor and author Eric Huffman This devotional helps us understand how we can cope with our questions and provides insightful answers during our times of doubt Product Features Shares 40 devotionals on life and faith Explores questions readers may be asking about their faith Offers guidance for those wanting candid insight about Christianity Weekly Study Guides available at www.EricHuffman.org books Real Bible Wisdom Eric Huffman's 40 days with a bonus 41st day of meditations on life's problems opportunities and meanings is real honest biblically sound and wise His sometimes edgy and direct testimony is inspirational and connects with our best and worst experiences Buy it then read it Scott Jones co author of Ask Faith Questions in a Skeptical Age 40 Days of Doubt is a cleverly constructed book that gives doubters space to reconsider the fundamental claims of God over their lives Well written with a very readable style Eric charts a path to a well considered faith Alan and Debra Hirsch Missional Leaders Authors and Speakers As a recovering pastor I confess I went through my own season of eye rolling cynicism about church religion and Christians 40 Days of Doubt provides space to consider real questions for agnostics skeptics and just burned out Christians who are tired of trite answers Tim Stevens Author of Marked By Love A Dare To Walk Away from Judgment and Hypocrisy Reading 40 Days of Doubt feels like I am having a frank and straightforward conversation about all the things that stand in the way of giving one's whole heart and life to following Jesus With each issue Huffman addresses he chooses not to pull any punches about how the culture of me is often the real impediment to faith and how the obstacles are often not the message but the way the church fails to live it out

You may agree with him or disagree with him but he will make you think as he peels back the layers of rhetoric and gets at the heart of the issue If you are someone who wants to believe but can't quite get there 40 Days of Doubt may be just the ticket Tom Pace Senior Pastor St Luke's United Methodist Church Houston *Letters from a Skeptic* Dr. Gregory A. Boyd, Edward Boyd, 2010-01-01 Explore the profound dynamics between a Christian son and his skeptical father in this powerful book as it delves into the big questions of Christianity with a compelling blend of intelligent answers and heartfelt faith Greg Boyd and his father Ed were on opposite sides of a great divide Greg was a newfound Christian while his father was a longtime agnostic So Greg offered his father an invitation Ed could write with any questions on Christianity and his son would offer a response Letters from a Skeptic contains this special correspondence The letters tackle some of today's toughest challenges facing Christianity including Do all non-Christians go to hell How can we believe a man rose from the dead Why is the world so full of suffering How do we know the Bible was divinely inspired Does God know the future Each response offers insights into these difficult questions while delivering intelligent answers that connect with both the heart and mind Whether you're a skeptic a believer or just unsure these letters can provide a practical common sense guide to the Christian faith

Resurrection: Faith or Fact? Carl Stecher, Craig L. Blomberg, 2019-04-09 Is there enough evidence to believe Jesus rose from the dead or must such a judgment be based only on faith Can the resurrection story be considered a fact of history or should it be viewed as an ahistorical account Two renowned professors atheist Carl Stecher and Christian Craig Blomberg engage in a groundbreaking new debate on these very questions Other experts on the resurrection atheist Richard Carrier and Christian Peter S. Williams comment on the outcome Presenting new approaches to these centuries-old questions and taking into account the latest scholarly research Resurrection Faith or Fact is a must have not only for all those following the resurrection question but also for those skeptics and Christians alike who are interested in determining for themselves the truth behind this foundational doctrine of the Christian faith

Answering Skeptics Douglas Jacoby, 2017-02-21 Practical responses to common challenges from skeptics atheists and other critics of faith from the author of *Compelling Evidence for God and the Bible* These days when many atheists and agnostics believe their criticisms of Christianity are unanswerable it's easy to feel intimidated Perhaps you have been told Christians are hypocrites and Christianity is corrupt The Bible has been changed There's no proof for God It's either science or faith and I choose science A good God would never allow the pain and suffering we see in the world There's no historical evidence for Jesus He's nothing but a legend All religions are basically the same Answering Skeptics will equip you to make intelligent replies to dozens of charges like these You don't need to have a PhD to make a convincing reply Giving a simple answer to a skeptic's questions is easier than you may think Whether you are a student or teacher veteran Christian or new believer wrestling with others' doubts or your own Answering Skeptics is a volume you will return to again and again Learn how to defend the Christian faith demonstrate that it is both true and reasonable and nudge the nonbeliever towards faith Just how prepared are you to

answer the skeptic Find out Soon after opening Answering the Skeptics you will know And once you ve digested it you ll be better equipped than ever We regard Douglas Jacoby as one of the bright lights in the field of apologetics in the twenty first century John Clayton Christian apologist Does God Exist **The Problem of God** , **The Reason for God** Timothy Keller,2008 Although a vocal minority continues to attack religious faith for most Americans faith is a large part of their lives 86% of Americans refer to themselves as religious and 75% of all Americans consider themselves Christians So how should they respond to these passionate learned and persuasive books that promote science and secularism over religion and faith For years Tim Keller has compiled a list of the most frequently voiced doubts skeptics bring to his Manhattan church here he dismantles each of them Written with atheists agnostics and skeptics in mind Keller also provides an intelligent platform on which true believers can stand their ground when bombarded by the backlash This book challenges such ideology at its core and points to the true path and purpose of Christianity From publisher description
