A Steady Kind Of Love:

A Forever Kind of Love Mormon Derek,2025-11-08 A Forever Kind of Love is an enchanting anthology of interconnected short stories each delving into the multifaceted nature of enduring love and profound connections Featuring characters often named Elara in diverse roles from cartographers and clockmakers to astrophysicists and artists this collection explores relationships that conquer challenges bridge differences and defy expectations From mythical islands and futuristic settings to quiet everyday moments these tales illuminate the many forms that lasting love can take demonstrating that true connection is a journey of shared experiences unwavering devotion and the beautiful unpredictable unfolding of a lifetime together

An Infinity Kind of Love Doritta aEURoeDodieaEUR G. Nunn,2023-02-09 They say that the apple doesnaEUR tm t fall far from the tree And based on this book no one wants that saying to be true more than me If I had just a fraction of the love and strength my mother had not only will it better benefit my life but also the lives of everyone around me and each person shows love differently I am a firm believer that love real loveaEURpure unconditional loveaEURis forever even after death

the spaces between seconds thespacesbetweenseconds, the spaces between seconds for love in its unfinished forms is a collection of unsent letters journal entries quiet reflections and poetic prose written for those who still feel deeply even after the world has gone quiet These pages hold emotions that never found a voice fragments of longing moments of love and loss and the slow fragile act of healing Please handle these words with care as you would a fragile memory and perhaps you ll find a piece of your own story folded between the lines

The Four Loves and the Latter-day Saints: The Nature of Love in All Facets of Our Lives Casey Paul Griffiths,2026-02-26 Author Casey Paul Griffiths I love you No phrase is filled with more anxiety vulnerability or longing as those three words Yet we are so in love with the idea of love that we don t often think carefully about what it really means In some languages there are different words to denote familial friendly charitable and romantic forms of love But in English there is only one phrase I love you It is used with our relatives friends lovers and sometimes even strangers Love is complicated but understanding it or at least attempting to is vital to our joy in this life Joseph Smith taught If men do not comprehend the character of God they do not comprehend themselves One of the simplest expressions of God s character is Jesus s declaration that He that loveth not knoweth not God for God is love 1 John 4 8 Building on the book by C S Lewis award winning author Casey Paul Griffiths joins the principles of love with the restored gospel of Jesus Christ to help illuminate the minds of Latter day Saints so that they may better understand themselves God and their relationships with God and others

The Book of Love

Cathy N. Davidson, 1992 The late John Cheever once insisted that saving a letter is like trying to preserve a kiss Luckily for us the loved ones of great writers ranging from Sappho to Anne Sexton from Anton Chekhov to Mr Cheever himself have ignored that clever dictum In more than one hundred of the most powerful witty wicked and whimsical letters ever written we chronicle passion s erratic progress Why should Marcus Aurelius s amorous words sit side by side with John Steinbeck s letter to the woman who inspired much of his late work Distinguished scholar Cathy Davidson argues that the love letter is a form of literature all its own a genre whose language may have changed from ancient Rome to twentieth century America but whose basic form and content remain the same For if all literature is a kind of seduction then the love letter becomes the perfect vehicle for writers to hone their seductive skills With novelistic flair Ms Davidson has arranged these letters as though they were all part of one romance a romance in which any of us may have played a part From the joy of Falling in Love to the pain of Unrequited Love we chart the evolution of that most hard to define emotion These pages are filled with glorious examples of writers being just like the rest of humanity to wit willing to stake so much on what at times seems like nothing more than a promise and an act of faith How delightful to discover the master of light verse Ogden Nash writing tenderly to a woman he first saw across a crowded room nine months earlier This is a particularly gifted and intelligent pen Look what it s writing now I love you That s a phrase I can t get out of my head but I don t want to I ve wanted to try it out for a long time I like the look of it and the sound of it and the meaning of it Of course what writers do better than anyone else is to write about love Through Ms Davidson s deft touch The Book of Love becomes a treasure trove of literary discovery She prefaces each letter with biographical comments that read like novelettes From the tragic lovers Heloise and Abelard to love that became literature such as Ernest Hemingway s affair with Agnes von Kurowsky to Samuel Clemens s heart breaking expression of love and grief for his deceased child all have a place in this marvelous anthology Though originally addressed to only one reader each of these letters is now a letter to the world that speaks to us all
