[Mit Portr.] (1. Print.) Gerald Monsman,1977 There have been no biographies of Pater in English except for a rather slight commemorative outline by Arthur Symons since the brief or inaccurate tributes and studies before World War I and the time has come for a full length study to combine such facts of Pater s life as can be established with a careful analysis of his art Centering on the Aesthetic hero this study attempts to present Pater s fiction and biography as lucidly as possible so that the general reader the undergraduate and the fledgling graduate student will benefit from its critical reading as much as the Victorian specialist Since the scope of a few hundred pages limits consideration to the more significant writings this study has been weighted in the direction of Pater s completed imaginative work utilizing his reviews lectures critical appreciations and unfinished fiction and other fragments only when the occasion warrants And finally inasmuch as any new line of critical inquiry that also aspires to be a broad based reassessment of Pater s theory of culture must build upon a core of established insights I have not hesitated when appropriate both to incorporate my previously published readings or to draw on the excellent recent work of Lawrence Evans Harold Bloom J Hillis Miller Ian Fletcher and a number of others who have enriched my understanding of the subject author s preface **Walter Pater; a Critical Study** Edward Thomas,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
