Clifford Lane

A Terribly Strange Bed:

The Story of a Terribly Strange Bed (Fantasy and Horror Classics) Wilkie Collins, 2014-12-03 Wilkie Collins was an extremely popular author of the Victorian era. Aside from his thirty novels, Collins penned a great amount of short stories across a number of genres. *The Story of a Terribly Strange Bed* was first published in Charles Dickens's weekly literary journal *Household Words*. Many of the Gothic romance and horror stories, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high-quality modern editions using the original text and artwork. *A TERRIBLY STRANGE BED*. Wilkie Collins, 2018

The Traveler's Story of a Terribly Strange Bed Wilkie Collins, 2014-10-06

Shortly after my education at college was finished, I happened to be staying at Paris with an English friend. We were both young men then and lived a wild life in the delightful city of our sojourn. One night we were idling about the neighborhood of the Palais Royal, doubtful to what amusement we should next betake ourselves. My friend proposed a visit to Frascati, but his suggestion was not to my taste. I knew Frascati, as the French saying is, by heart, had lost and won plenty of five franc pieces there merely for amusement's sake, until it was amusement no longer and was thoroughly tired in fact of all the ghastly respectabilities of such a social anomaly as a respectable gambling house.

The Traveller's Story of a Terribly Strange Bed Wilkie Collins, 2008-04

William Wilkie Collins (1824-1889) was an English novelist, playwright, and writer of short stories. He was hugely popular in his time and wrote 27 novels, more than 50 short stories, at least 15 plays, and over 100 pieces of non-fiction work. His best-known works are *The Woman in White* (1860), *The Moonstone* (1868), *Armadale* (1866), and *No Name* (1862). His works were classified at the time as sensation novels, a genre seen nowadays as the precursor to detective fiction and suspense fiction. He also wrote penetratingly on the plight of women and on the social and domestic issues of his time. His novel *No Name* combined social commentary, the absurdity of the law as it applied to children of unmarried parents, with a densely plotted revenge thriller. Amongst his other works are *Basil* (1852), *Hide and Seek* (1854), *After the Dark* (1856), *The Frozen Deep* (1857), *The Queen of Hearts* (1859), *Man and Wife* (1870), *The New Magdalen* (1873), *The Law and the Lady* (1875), *The Two Destinies* (1876), and *A Rogue's Life* (1879).

Wilkie Collins and Other Sensation Novelists Nicholas Rance, 1991

This work adopts a fresh approach by relating the vogue in the 1860s for sensation fiction to a specific phase of a crisis of faith in the bourgeois ideology of self-help. The demise of sensation fiction after a mere decade is then associated with a returned sense in the 1870s of the durability of the status quo and the temporary revival of a moralism which had seemed in a terminal condition in the 1860s.
