## **A Time For Truth:**

**COMMUNICATION AND THE CHALLENGES OF COMMUNICATION: THE WAR FOR TRUTH** Joseph Ngoma, 2025-11-08 From the Garden of Eden to the digital age every major battle in human history has begun with one question Did God really say In a world overflowing with voices but starving for truth communication has become a battlefield Lies now sound like love Flattery replaces correction Prophets preach to please the crowd and the truth is silenced by the noise of deception In this prophetic and eye opening book Joseph Ngoma unveils the spiritual war raging behind human speech a war for words meaning and truth itself Through biblical revelation real spiritual insight and divine wisdom he exposes how the enemy has corrupted the sacred gift of communication to Distort God s message and divide His people Replace revelation with entertainment Turn conversation into confusion and silence into compromise From Eden s whisper to modern media this book reveals how words create worlds and how the enemy uses them to destroy lives But it also declares the victory of Jesus Christ who restores the voice of truth purifies communication and calls His people to speak with authority purity and power You will discover The spiritual origin of confusion and miscommunication How demonic deception operates through modern culture and language The power of repentance discernment and Spirit led communication How to reclaim your voice as a divine weapon in the war for truth This is not just a book it is a spiritual awakening a call to rebuild the bridge between Heaven and Earth through the purity of speech Let every page draw you closer to the voice of God until your tongue becomes His instrument and your words carry His fire You shall know the truth and the truth shall make you free John 8 32
