A Time To Dream:

Living a Dream: A mile at a time Mark Love,2015-02-11 What started out as a childhood dream had been coupled with some friends from a silly Facebook game called Mafia Wars which took me on a journey like no other This is my trip I took of meeting up with them face to face for the first time on a motorcycle I had never ridden until now into a part of the country I had never been before Dreams can come true but it s the magic that encompasses it that makes your dream something more than you could ever imagine Take the same steps I did and live your dream as well It will change your life as it has for me
