The Rise of a Superpower

FRANK DIKÖTTER

AUTHOR OF THE SAMUEL JOHNSON PRIZE-WINNING *MAO'S GREAT FAMINE*

After Mao

Michel Chossudovsky

After Mao:

China After Mao Frank Dikötter, 2022-09-29 _____ A SPECTATOR AND NEW STATESMAN BOOK OF THE YEAR
A revolutionary book Sunday Times A pulsating account that makes clear how important it is to look beneath the surface when it comes to any period or region in history but above all to China Peter Frankopan TLS Essential reading for anyone who wants to know what has shaped today's China and what the Chinese Communist Party's choices mean for the rest of the world New Statesman Books of the Year Choice Outstanding Academic Title 2023 _____ From the Samuel Johnson Prize winning author of *Mao's Great Famine* a timely and compelling account of China in the wake of Chairman Mao In *China After Mao* award winning historian Frank Dikötter explores how the People's Republic of China was transformed from a backwater economy in the 1970s into the world superpower of today His account is the first to be based on hundreds of previously unseen archival documents from the secret minutes of top party meetings to confidential bank reports Unfolding with great narrative sweep this riveting richly detailed chronicle recasts our understanding of an era that both the regime and foreign admirers celebrate as an economic miracle In charting four decades of so called Reform and Opening Up and China's emergence as a world power Dikötter tells a fascinating tale of contradictions and illusions of shadow banking anti corruption drives and extreme state wealth standing alongside everyday poverty He examines China's approach to the 2008 financial crash the country's increasing hostility towards perceived Western interference and its development into a thoroughly entrenched dictatorship one equipped with a sprawling security apparatus and the most sophisticated surveillance system in the world Ultimately the book concludes the communist party's goal was never to join the democratic sphere but to resist it and then defeat it Praise for Frank Dikötter and the People's Trilogy Harrowing and brilliant Ben Macintyre The historian of China Spectator One of the few books that anyone who wants to understand the twentieth century simply must read New Statesman The seminal English language work on the subject Sunday Times Gripping and masterful Simon Sebag Montefiore *Coming Alive* Roger Garside, 1982 *The Future of China* Ross Terrill, 1978 *Mao's China and After* Maurice Meisner, 1999-04 Presents a revised account of the revolution of 1966-1969 Examines the social and political consequences of the upheaval Deng Xiaoping Democracy movement Tienanmen Incident Mao Zedong The hundred flowers Great Leap Forward *China's Second Revolution* Harry Harding, 2010-12-01 China has since 1976 been enmeshed in an extraordinary program of renewal and reform The obvious changes the T-shirts blue jeans makeup and jewelry worn by Chinese youth the disco music blaring from radios and loudspeakers on Chinese streets the television antennas mushrooming from both urban apartment complexes and suburban peasant housing the bustling free markets selling meat vegetables and clothing in China's major cities reflect a fundamental shift in the government's policy toward the economy and political life Although doubts about the long term commitment to reform arose after the student protests in December 1986 and the dismissal of Party General Secretary Hu Yaobang in January 1987 the scope of reform has been so broad and the pace of

change so rapid that the post Mao era fully warrants Den Xiaoping's description of it as the second revolution undertaken by the Chinese Communist Party

The Chinese Army After Mao Ellis Joffe, 1987 **Uncertain Passage: China's Transition to the Post-Mao Era** A. Doak Barnett, 1974 **Mao's China And Post-mao China: Revolution, Recovery And Rejuvenation** Robert Weatherley, 2022-09-06

If the history of modern China was written as a book its author would be accused of losing touch with reality During the twentieth century China underwent two revolutions a number of wars endured a radical and destabilising form of communism and then hurried quickly towards a system of open market economics whilst remaining under the control of a nominally communist party Currently the fastest growing economy in the world with an increasingly sophisticated and expanding military China is widely expected to emerge as the world's next superpower eclipsing the United States in the not too distant future However not everything is going smoothly for Beijing Unemployment rates are spiralling inequality is rife and official corruption at all levels remains an Achilles heel for the Chinese Communist Party despite Xi Jinping's best endeavours to wipe it out Worst of all environmental degradation is at such a serious level that it threatens the success of the Chinese economy and the stability of Chinese society Against this scarcely believable backdrop and based on a series of lectures seminars and research conducted by the author *Mao's China and Post Mao China* captures the dynamics dynamism and disasters of Chinese politics since the establishment of the People's Republic of China in 1949 This advanced textbook identifies three key themes that have underpinned the post revolutionary era the so called three Rs Revolution Recovery and Rejuvenation and is essential reading for anyone interested in the politics of modern China at the undergraduate and postgraduate level

China After Mao Heung Shing Liu, 1983 **After Mao** What J. P. Jain, 2019-03-13

Mao Tse tung has dominated the Chinese domestic scene for well over four decades now Ever since the 1935 Tsunyi Conference he has been successful in asserting his leadership over the Chinese Communist Party and the People's Liberation Army the two main loci of power within China However in the process Mao has had to face many a challenge to his authority At times it appeared as if the reins of control over the Party and the PLA were slipping out of his hands and that the country was relapsing into a period of warlordism or heading towards army dictatorship or rule by a Party hierarchy not loyal to Mao and his dogma But Chairman Mao has somehow managed to retain his supremacy over the major components of the Chinese political system by deposing or liquidating all those who dared usurp his throne Mao's successors are unlikely to have either the charismatic personality or the stature of the great helmsman Therefore what follows after Mao is a matter of great significance and acute concern for both the Chinese people and the world at large

China After Mao A. Doak Barnett, 2015-12-08

One of America's leading authorities on China outlines and assesses the implications of the inevitable passing of Mao Tse tung and the older generation of revolutionary leaders from their position of command in China Describing the mid 1960's as a transitional period of great historic significance the author outlines the basic unsolved problems and unresolved issues that face Peking's leaders speculates on future changes in Chinese Communist leadership

and policies Part II of the book presents documents pertinent to the developing crisis in China including Khrushchev's Phoney Communism Lin Piao's Long Live the Victory of the People's War and Great Cultural Revolution China After Mao is based on the Walter E Edge lectures given at Princeton University in October 1966 Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Administrative Reform in Post-Mao China Stephen K. Ma, 1996 This book analyzes China's bureaucratic behavior since the inauguration of administrative reform in the late 1970s Although bureaucratic behavior in China in the past decade was increasingly corrupted this aspect of China's post Mao reform has not been subjected to a rigorous scrutiny This book explores the gulf between desired and the actual bureaucratic behavior among China's public administrators The author argues that this behavioral gap in China's modernization stems from several factors including the nation's cultural heritage the ruling party's approach to government and the absence of trusted full fledged academic groups assigned to advise on administrative reform The book then probes one of the gravest consequences of the behavioral gap reform corruption a phenomenon which seems to be a mixed blessing of modernization

China After Mao, what Next?, 1977

Mao's Generals Remember Korea Xiaobing Li, Allan Reed Millett, Bin Yu, 2001 Fifty years after the Korean conflict what is a forgotten war for some Americans is an aching memory for China With over a million casualties out of the three million soldiers sent into battle that war looms as large for the People's Republic of China PRC barely a year old when North Korea invaded the South as World War II does for most other countries It was the first international war fought by the Chinese Communist regime to halt counterrevolution it was also a war that the Chinese fully expected to win by virtue of not only superiority of numbers but also their soldiers superior political quality This book presents a mosaic of memoirs by key Chinese military commanders from that war drawing not only on their personal papers but also on still classified archives and on Chinese language sources unavailable in English It offers an uncensored behind the scenes story of the Communist campaign from the decision to intervene through the truce negotiations that discloses new information on such facets of the war as strategy and tactics use of propaganda and mobilization of the Chinese population It also reveals the generals' concerns about the possible use of nuclear force and the alleged use of biological and chemical weapons by the United States The book contains a wealth of new materials on the Chinese intervention including combat operations logistics political control field command and communications Among those whose recollections are recorded then acting Chief of Staff Nie Rongzhen reveals how party leadership decided on intervention Commander in Chief Peng Dehuai provides personal accounts of major battles and communications with Mao and General Yang Dezhi shares secrets of Chinese military strategy

and tactics discussing how the army orchestrated each battle to contend with the better equipped UN forces The volume also features an updated short history of the PRC s conduct of the war based on Chinese sources plus rare photos from Chinese archives that put readers behind the lines from the Chinese side Mao s Generals Remember Korea demonstrates that the PRC continues to draw military diplomatic and strategic lessons from the war it fought fifty years ago with the world s most powerful military force It offers valuable insight into the Chinese way of war and the military mind of Mao that will be a rich resource for Asian and military scholars

After Mao Introduction

In the digital age, access to information has become easier than ever before. The ability to download After Mao has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download After Mao has opened up a world of possibilities. Downloading After Mao provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading After Mao has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download After Mao. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading After Mao. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading After Mao, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download After Mao has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About After Mao Books

1. Where can I buy After Mao books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a After Mao book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of After Mao books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are After Mao audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.
