

Crossroads is a four-level, four-skills series for adults and young adults. The series carefully integrates competencies and grammatical objectives, addressing students' need to function in the English-speaking community. **Crossroads** is designed to accommodate continuous enrollment or open-entry programs and is compatible with programs that use the MELT or CASAS competency statements.

Components of Crossroads

Student Book

The ten units of the Student Book follow a consistent, 12-page format. The *Conversations* pages introduce grammar points and competencies in natural-sounding dialogs. *Listening Plus*, *Paperwork* (document literacy), *Reading and Writing*, and *Interactions* (information gap activities) build on the *Conversations*. *Progress Checks* let students demonstrate and confirm their mastery of competencies and grammatical structures.

Teacher's Book

The Introduction to the Teacher's Book covers such topics as multilevel classes, working with adult learners, error correction and feedback, and evaluation. Each unit contains warm-up activities, pronunciation exercises, clear and simple step-by-step teaching procedures for every exercise, and suggestions for varying and extending exercises. Cross-cultural and linguistic notes expand and supplement the unit notes.

Cassettes

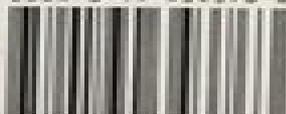

All of the conversations, listening exercises, and readings from the Student Book have been recorded on two cassettes.

Multilevel Activity and Resource Package

The Multilevel Activity and Resource Package contains reproducible workbook pages, picture cards, word cards, game boards, and interactive activities. The Listening, Writing, and Grammar worksheets come in two versions (Levels A and B) for use in multilevel classes. Teacher's Notes for each unit explain the various games and activities, and how to exploit the resource materials to best fit your students' needs.
