Wilson Gage, 1991-09-16 Life on Mrs Gaddy s farm is made exciting by a ghost in her kitchen a war with a pesky crow and a vine that will not stop growing **In the Company of Crows and Ravens** John M. Marzluff, Tony Angell, 2008-10-01 Crows and people share similar traits and social strategies To a surprising extent to know the crow is to know ourselves from the Preface From the cave walls at Lascaux to the last painting by Van Gogh from the works of Shakespeare to those of Mark Twain there is clear evidence that crows and ravens influence human culture Yet this influence is not unidirectional say the authors of this fascinating book people profoundly influence crow culture ecology and evolution as well John Marzluff and Tony Angell examine the often surprising ways that crows and humans interact The authors contend that those interactions reflect a process of cultural coevolution They offer a challenging new view of the human crow dynamic a view that may change our thinking not only about crows but also about ourselves Featuring more than 100 original drawings the book takes a close look at the influences people have had on the lives of crows throughout history and at the significant ways crows have altered human lives In the Company of Crows and Ravens illuminates the entwined histories of crows and people and concludes with an intriguing discussion of the crow human relationship and how our attitudes toward crows may affect our cultural trajectory [Appalachian Children's Literature](#) , 2010-04-13 This comprehensive bibliography includes books written about or set in Appalachia from the 18th century to the present Titles represent the entire region as defined by the Appalachian Regional Commission including portions of 13 states stretching from southern New York to northern Mississippi The bibliography is arranged in alphabetical order by author and each title is accompanied by an annotation most of which include composite reviews and critical analyses of the work All classic genres of children s literature are represented *The Elementary School Library Collection, Phases 1-2-3* , 1998 *Once Upon a Time--* Carol Otis Hurst, 1990 Bibliographies activities and background information on authors illustrators individual picture books and themes **The Publishers' Trade List Annual** , 1995 **Waterstone's Guide to Books** Waterstone & Co, 1989 **Popular Series Fiction for K-6 Readers** Rebecca L. Thomas, Catherine Barr, 2004 Because of their popularity books in series are great vehicles for fostering literacy among all types of readers who are almost always adamant about reading every title in the series in series order Yet traditional information sources on children s and YA literature include very little about series fiction so librarians often have difficulty managing this literature This guide will be a rich resource and time saver for librarians who work with children It introduces users to the best and most popular fiction series of today covering more than 1 000 series with over 10 000 titles appropriate for elementary readers Annotations also indicate series and titles accepted by some of the popular electronic
