Crowd Of Lovers:

Comedies Molière,1890 *Love: the Most Precious Gift of Life* Pejman Aghasi,2007-08 Love is the only hope It is only because of love that man finds it possible to reach god If there were no love there would be no religion no prayer If there were no love there would be no creativity no music no dance no art no poetry If there were no love there would be no beauty no friendship no happiness no intimacy All that is valuable in life comes through love Love is the source of all that is nourishing and fulfilling Love is the only heavenly phenomenon on this earth Everything else is earthly therefore it is only through love that one can reach to god and heavenly states of being Without love life becomes dull repetitive and unfulfilling Love The Most Precious Gift of Life shows us that we must live with love because that is the only way to really live The deeper and realer your love is the deeper and more meaningful your life is We must think of love and life as being the same and synonymous If love has so many blessings why do many couples struggle and face so many difficulties in their relationships In the second part of *Love The Most Precious Gift of Life* the root social and psychological causes of these conflicts are uncovered and a solution for solving each problem is also presented And in doing so it helps us to keep our relationships healthy and intimate and enable us to embrace love and through love reach to our highest potential which is self realization and enlightenment **People of the State of Illinois V.
