Cry Of The Deep:

Expositions on the Book of Psalms Saint Augustine (of Hippo),1885 **The Cry** Kristen Maddox,2015-12-23 One in three women will have an abortion Forty five percent will have more than one I am one in three I am one in forty five percent I am not alone I was sixteen years old when the cry began It was a silent screaming within my soul that I felt sure everyone could hear I carried the cry for fifteen years before I was able to identify it It started the day I had my first abortion A simple outpatient procedure we will remove the mass of tissue You re young you have your whole lives ahead of you to have children You re making the right choice I believed them My choice led me down a dark path of self destructive behavior that lasted for ten long years I was desperate to be free God if you can hear me please help me make it stop I cried Jesus heard my cry and healed the aching in my heart What is post abortion syndrome Will God heal me after what I did How can I be free These were all questions that I had If you are struggling with a past abortion or if you have been carrying a cry you are not alone Whether you have had one abortion or multiple abortions only He can heal the damage that abortion causes Jesus sees your pain and longs to heal you You have a choice to make You can allow the Lord to heal you or you can continue to carry the cry
