Each of the book's eight chapters focuses on a key area: language, literacy, math, science, logic, reasoning, social, emotional, development, healthy habits, and the arts. An essential dynamic of *Ready for School* is its emphasis on the importance of play in a child's learning process. To respond to that need, dozens of Play/Learn activities are included to aid parents in educating their children at the kitchen table, on the bus, in the park, or in the preschool classroom while playing together. In addition, the book recommends scores of hints, tips, ideas for useful products, and deep dives on more complex topics for parents all designed to make preparing young kids for school easy and joyful.
