To determine model and year of manufacture of Suzuki outboard motors, refer to numbers located on motor clamp bracket. The first six characters indicate the model and second six characters are motor serial number. The first character of serial number indicates year of manufacture. The years 1977, 1978 and 1979 are identified by the letters "C," "D" and "F" respectively. Starting with 1980, the first number in serial number corresponds with model year. For example, if first number in serial number is 1, model year is 1981.
