## The Reformation

The Reformation was a major religious movement in the 16th century that led to the creation of Protestant churches. It began in 1517 when Martin Luther posted his 95 Theses on the door of the Castle Church in Wittenberg, Germany. Luther criticized the Catholic Church's practices, such as the sale of indulgences, and argued for a simpler faith based on the Bible. Other reformers, like John Calvin and Ulrich Zwingli, also challenged Catholic teachings. The Reformation led to the establishment of new churches and the eventual split of Western Christianity into Catholic and Protestant branches.

- The Catholic Reformation

The Reformation had a profound impact on European society, leading to the rise of nation-states and the decline of the Catholic Church's power. It also led to the development of new religious traditions and the eventual split of Western Christianity into Catholic and Protestant branches. The Reformation's influence is still felt today in many aspects of Western culture and religion.
